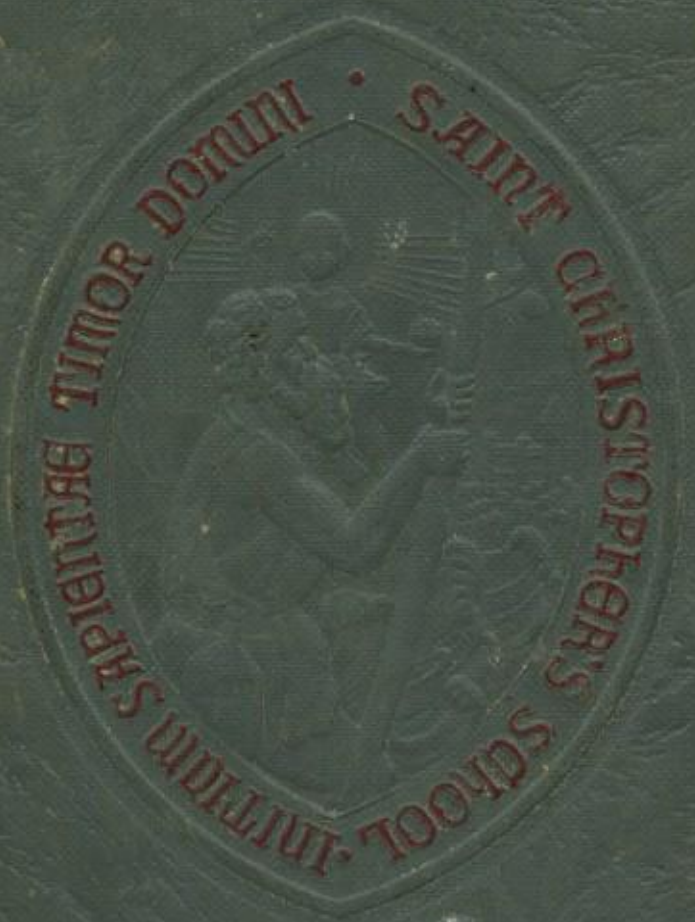
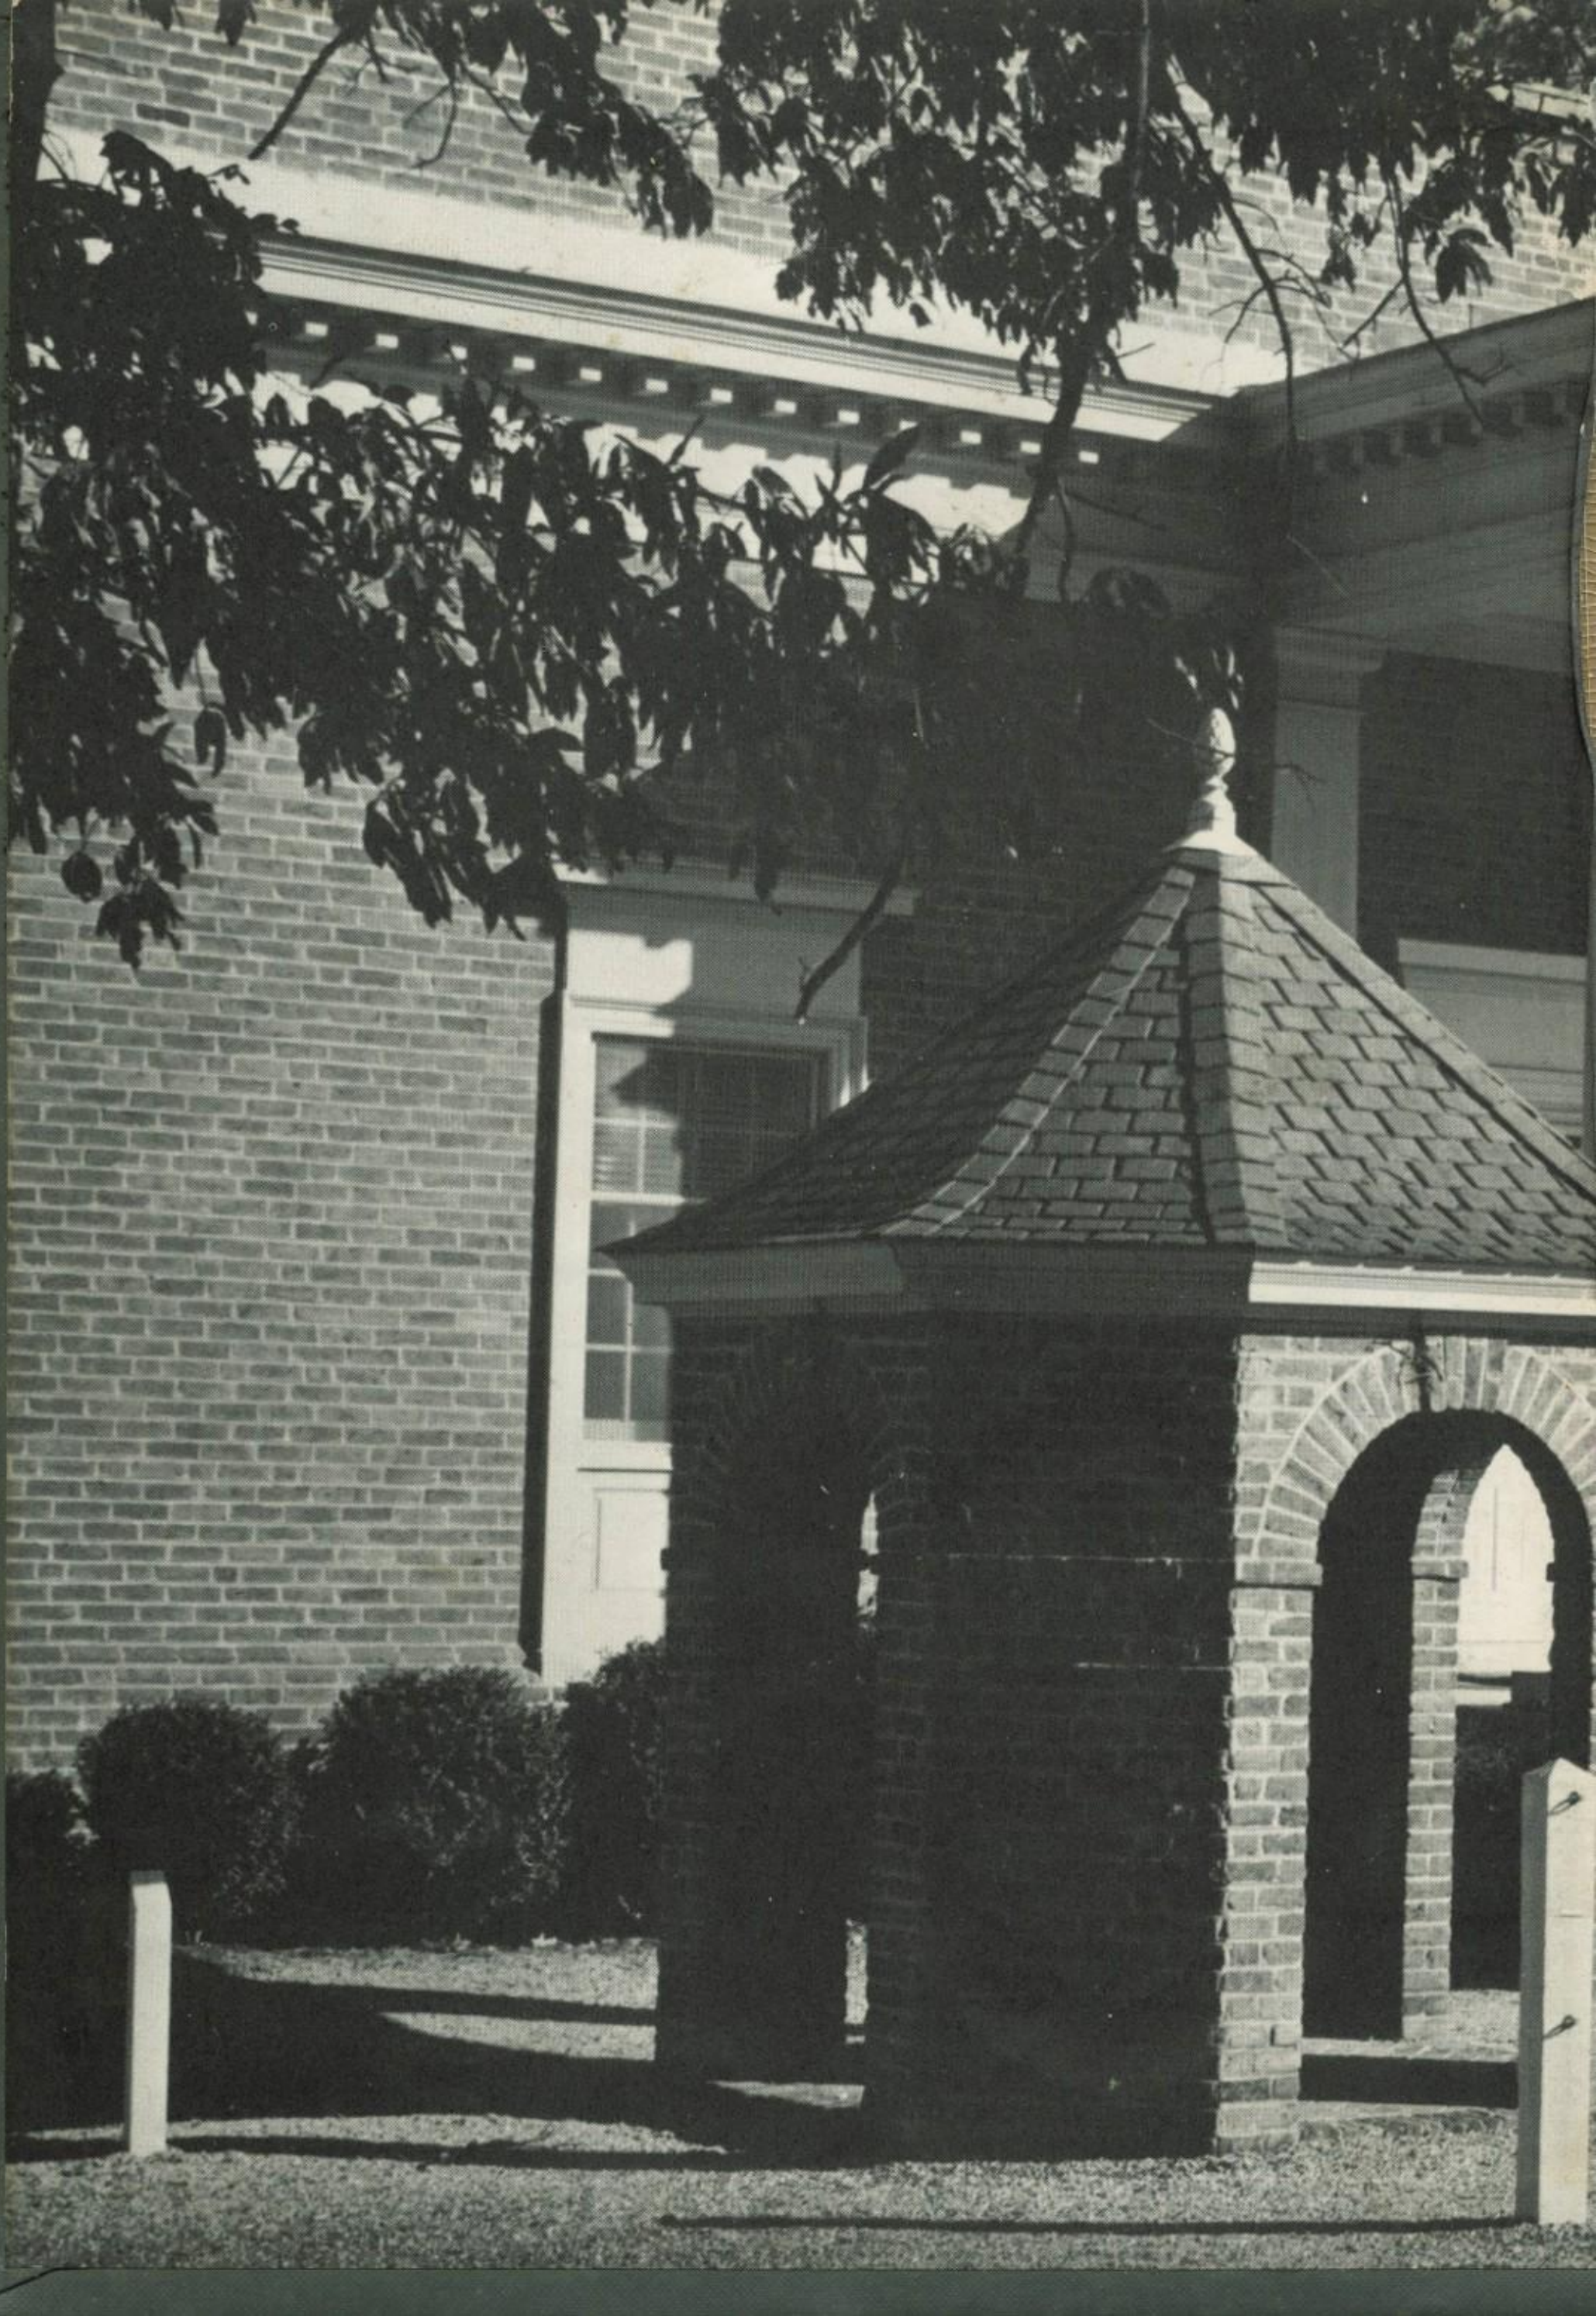
TAPS



1964



. . . In the RAPS AND TAPS of 1964 we shall depart but little from the traditional pattern established by our predecessors. Our aim is that this volume shall serve as a means by which the past year may live forever in the hearts of those who have known and loved St. Christopher's. Our hopes will be fulfilled if we can continually remind you of a year "which having been must ever be."

THIS, THE ANNUAL PUBLICATION

OF SAINT CHRISTOPHER'S SCHOOL

DEDICATION . . .

DR. ROBERT WYLDER BUGG

Robert Wylder Bugg has served St. Christopher's for forty-four years as teacher, coach, Senior Master, and Headmaster. Perhaps Dr. Bugg's most distinguishing characteristic during his years of service has been his unceasing diligence. His genius for attending to details and his talent for keeping a finger on the pulse of school life have stood the school in good stead, but the trust he inspires with his simple and sincere manner is also an outstanding characteristic. Both strangers and colleagues are impressed with the idea that he is a man to be listened to and to be trusted.

Dr. Bugg would deny that he is responsible for the growth of the school during the last ten years on the basis that Boards, alumni, friends, masters, and students have had a large share in it. The fact remains that he has been in the center of every improvement made, and his leadership has been inspiring.

Somehow, Dr. Bugg - possibly through the fact that he always excepts the best from the men and boys associated with him - brings to the surface any latent desire to excel. His love of the school and his hope that it be the best is infectious, a little rubbing off on all who come in contact with him. The students at St. Christopher's look upon him as one whose decisions are final, but not arbitrary; one who can say "No" firmly but kindly, or one who can say "Yes" graciously and enthusiastically.

Dr. Bugg's personal religious convictions and his sense of mission have been important factors in the life of St. Christopher's. This is best seen in the atmosphere in which the school operates from day to day, but it manifests itself specifically in the appointment of a full-time chaplain, the institution of weekly communion services, and a closer integration with the life of the parrish church.

The best way to sum up Dr. Bugg's attitude toward his profession and towards his school is to be found in his own words:

"Hold on with one hand and reach out with the other."

St. Christopher's School is now more than fifty years old. Throughout this last half century, there has been one fundamental premise behind its operation. That premise is that a man's development must be threefold in nature-he must be awakened spiritually, developed physically, and enlivened intellectually. It is our desire that we may show all the aspects of this threefold development.

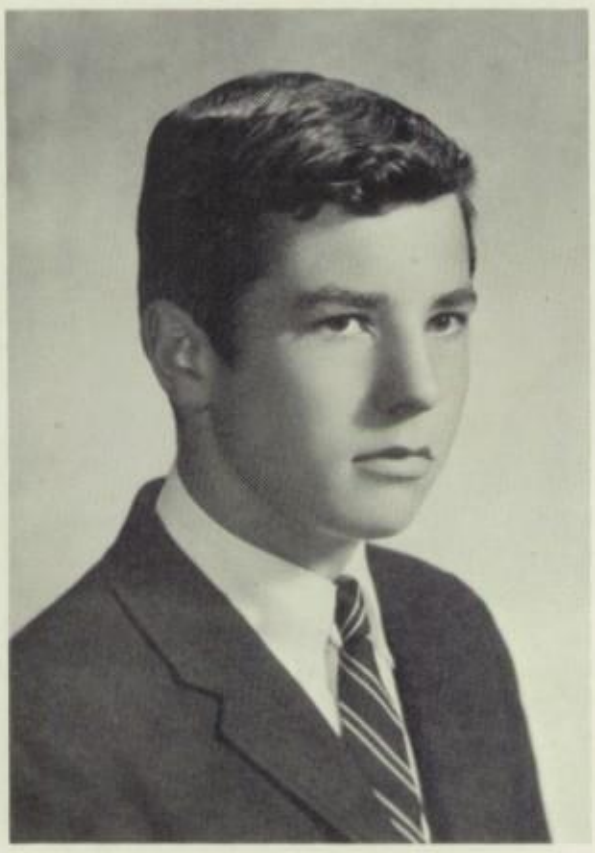
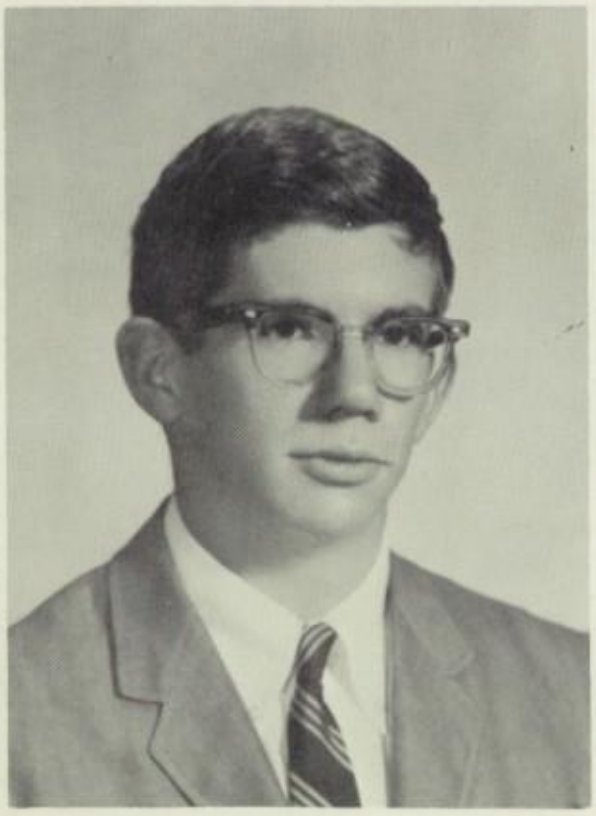
CRAIG RUFFIN BAILEY "C. R."
10 South Wilton Road

Four Years - Student Council, Director of Missionary Society, Business Manager of PINE NEEDLE, HIEROGLYPHIC staff, Varsity Football, Monogram Club, Lee. In his short career here, Craig has certainly made a name for himself in many fields. Craig is known to many for his dry wit and subtle sarcasm. He quickly earned the respect of the student body, and has served ably as a Student Councilor and Director of the Missionary Society. Craig's extra-curricular achievements are outstanding; as a member of the varsity football team and manager of the tennis team he earned a place in the monogram Club. He capably performed the demanding task of Business Manager of the PINE NEEDLE. He has consistently been an academic leader in his class, and placed high in the National Merit Scholarship competition. Craig can be expected to continue his accomplishments elsewhere.



ALDEN EDWARD BIGELOW "Bigs"
602 Spring Drive

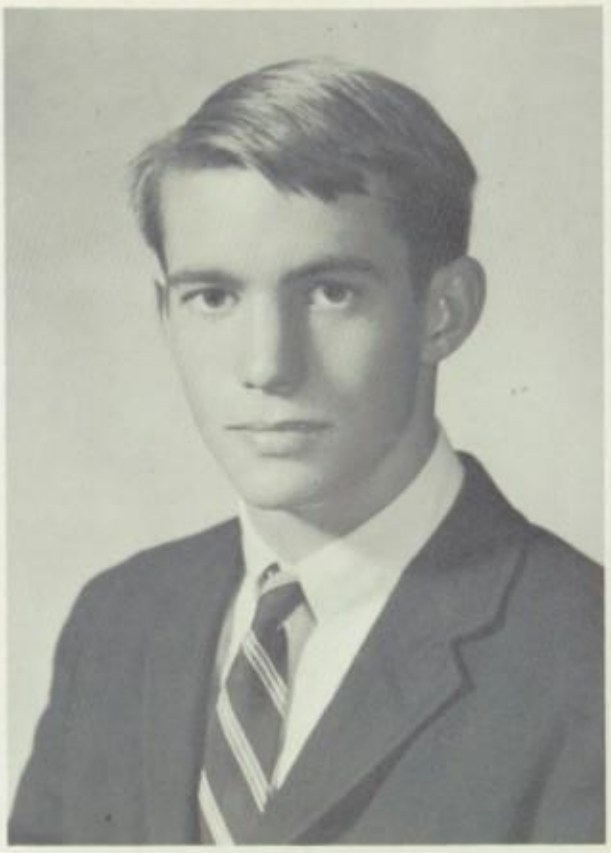
Five Years - Glee Club, Dramatics Club, Varsity Cross Country, Varsity Tennis, Monogram Club, Jackson. Biggs is probably best known for the entertainment he provides at his Charlottesville chateau. As. Mr. Flanagan's arch foe, he has compounded the confusion in Trig class. A fine tennis player, Alden has earned his varsity letter for three straight years, and he was also willing to endure the hard grind imposed on a cross country runner. He has shown impressive talent as an actor as the outstanding member of the CORIOLANUS cast. Alden lent his voice to the second tenor's section of the Glee Club. We wish him success in college.



WILLIAM PRESTON BOYER, JR. "Be-Boppin Billy P."
9303 Cragmount Drive

Five Years - Sports Editor for the RAPS & TAPS and the PINE NEEDLE, HIEROGLYPHIC staff, Glee Club, Cheerleader, Varsity Soccer, Dramatics Club, Lee. Be-Boppin Billy P. is one of the most popular members of the Senior Class. Bill is noted for his exceptional wit and his hustle on the soccer field. He is a poet of great merit, an actor of great ability, and a singer of great renown. His poetry has graced the pages of the HIEROGLYPHIC and is by far the most popular among the students. In the position of Sports Editor for both the PINE NEEDLE and the RAPS & TAPS, Bill has kept his trusty Parker T-Ball Jotter hot. His contagious school spirit has put new life into the cheering this year. He will be a worthy addition to the cadet ranks at V.M.I.

FREDERIC SCOTT CAMPBELL, III "Scott"
20 River Road

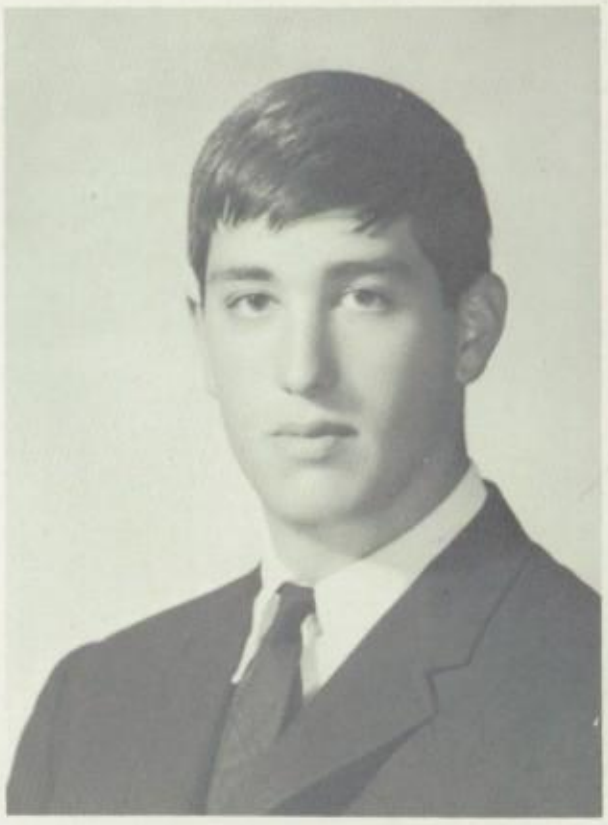


Fourteen Years - Glee Club, Monogram Club, Varsity Wrestling, HIEROGLYPHIC staff, Co-Captain of Varsity Tennis Team, Lee. Scott is well-liked by everyone and admired for his calm disposition. Conscientious in his work, he still manages to have a good time, especially at Va. Beach. As co-captain of the tennis team this year, he has been an outstanding leader in that sport, and has lettered for several years. One of Scott's better traits is his dependability; he is always willing to help when called upon to do so. His strong drive and determination will surely lead him to success. As he leaves with the habitual smile on his face, we wish him well.

RICHARD THOMAS CARTER "Richard"
Charlottesville, Virginia

Five Years - Monogram Club, Literary Editor of the RAPS & TAPS, Manager of Varsity Basketball Team, Lee. Richard has consistently been one of the outstanding students of his class. He has maintained an Honor Roll average throughout his career at St. C., and he placed high in National Merit Scholarship competition. Not confining himself to the classroom, Richard has engaged in other activities. For two years, he has done a commendable job as manager of the basketball team, and this year was Literary Editor for the RAPS & TAPS. Richard will undoubtedly continue his admirable record at the U. Va.

WILLIAM POWELL CARTER "WmPee"
115 Tuckahoe Boulevard



Six Years - Glee Club, HIEROGLYPHIC staff, Cheerleader, Manager of Varsity Soccer Team, Business Manager of RAPS & TAPS, Lee. Six years ago, a fat little boy appeared in the halls of Middle School. Immediately, he did two things: made many friends and started a Metrical diet. As an Upper Schooler, he distinguished himself in fields of extra-curricular work. He lent his voice, of questionable merit, to the Glee Club and has done an excellent job as the business manager of the annual and as manager of the soccer team. However, the job he has done with most loyalty was that of cat-caller for the Smoking Club. On weekends, he could be seen under the "bonnet" of his sports (?) car or out winning the heart of some fair Richmond lass. Uneeded luck in whatever you do, Wimp.

JOHN PAGE COATES "Pharaoh"

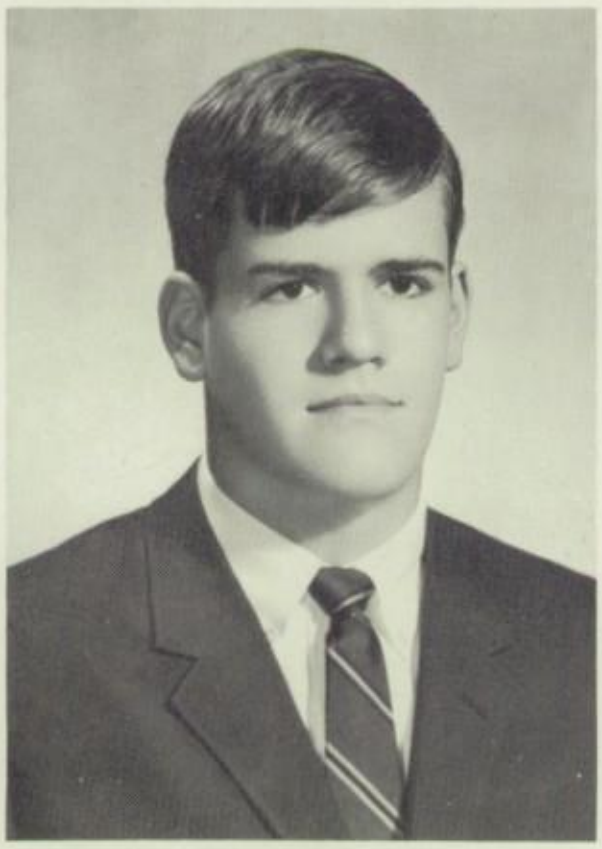
6319 Ridgeway Road

Thirteen Years - Varsity Wrestling, Glee Club, Public Speaking Contest, Co-Head Cheerleader, Co-Editor of the PINE NEEDLE, HIEROGLYPHIC staff, Jackson. Pharaoh, as his name implies, is a truly unique member of the Senior Class. His witty manner accounts for a great number of friends, but he is also a conscientious supporter of the school. He represented St. Christopher's at Boy's State last summer, and this year was a Co-Editor of the PINE NEEDLE. A track man himself, he has been an avid sports fan. More than once, a team bus has been followed by a little blue Saab to far-away places. He was also a head cheerleader, a bass in the Glee Club, and has written for the HIEROGLYPHIC for three years. Johnny will surely be a welcome addition to any college.

FRANK PARSONS DICKINSON "Frank"

8906 Norwick Road

Thirteen Years - Dramatics Club, PINE NEEDLE staff, Varsity Baseball, Smoking Club, Lee. Known to all for his imagination, Frank started off in the Middle School by originating Mr. Hanes' system of bottomless pits and wound up designing colorful posters for the St. C. football games. Frank excells in the sciences and accelerates in his Austin-Healy Sprite. He has the rare ability to provoke laughter wherever he goes. Seriously, Frank has been a great addition to his class. As a member of the Dramatics Club, he has used his talents in that field well. He has also distinguished himself as a hurler for the Saints' baseball team. We trust that his fine record will follow him to Hampden-Sydney.



HENRY WATKINS ELLERSON, III "Whatt"

6410 Roselawn Road

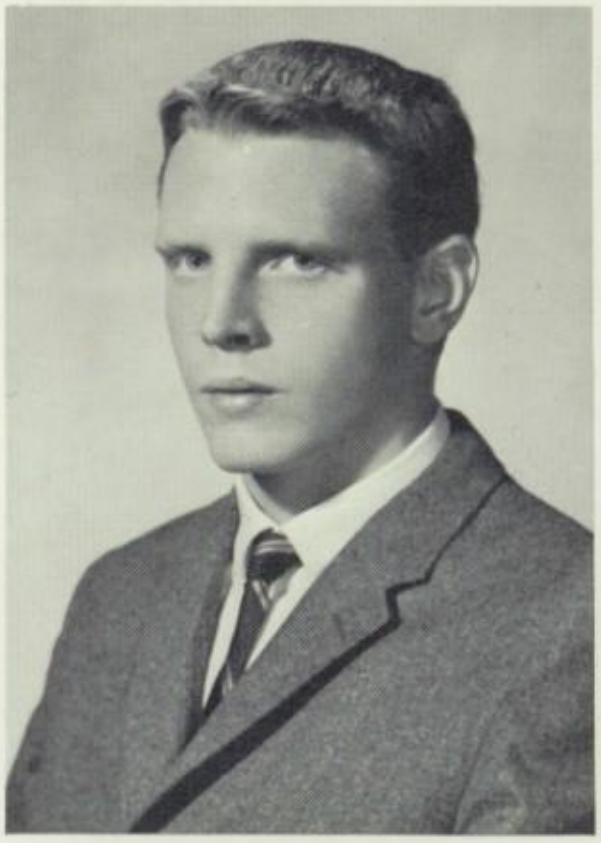
Two Years - Varsity Wrestling, Varsity Track, Glee Club, RAPS & TAPS and PINE NEEDLE staffs, Lee. Watt can always be seen cruising about Richmond in his grey jeep. He provided the "O" squad with transportation for their away games with "Doc's." He did some photography for both the PINE NEEDLE and RAPS & TAPS. Otherwise, he added his voice to the Glee Club and has wrestled for several years. A confirmed pipe smoker, Watt used the "S" Club for a friendly retreat. Striving for new accomplishments, he has gone out for the track team this spring. Watt's affable good nature and ready humor will enable him to endure the ranks of rats at The Institute.

JOHN THOMAS FERGUSON, JR. "Jack"
Malvern Hill Farm

Three Years - Trainer for Varsity Football, Trainer for Varsity Basketball, Timekeeper, Monogram Club, Jackson. In his short career here, Jack has certainly made a number of friends. Though one of the quietest members of his class, he is one of the most loyal and friendliest of this year's graduates. Jack probably spends more time on the telephone than any student in the history of St. C. He is always willing to do the tasks that others are not so anxious to take on. He has long served in the responsible job of student football trainer, and has ably handled the job of operating the basketball scoreboard. He hopes to attend the Naval Academy, and we are sure that he will meet with success.

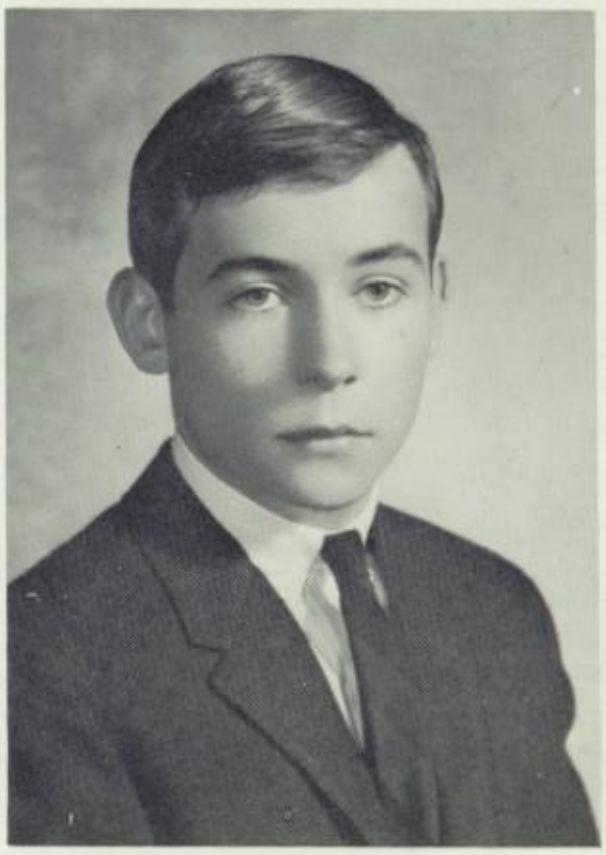
ERNEST MAURICE FRANK, JR. "Doc"
Williamsburg, Virginia

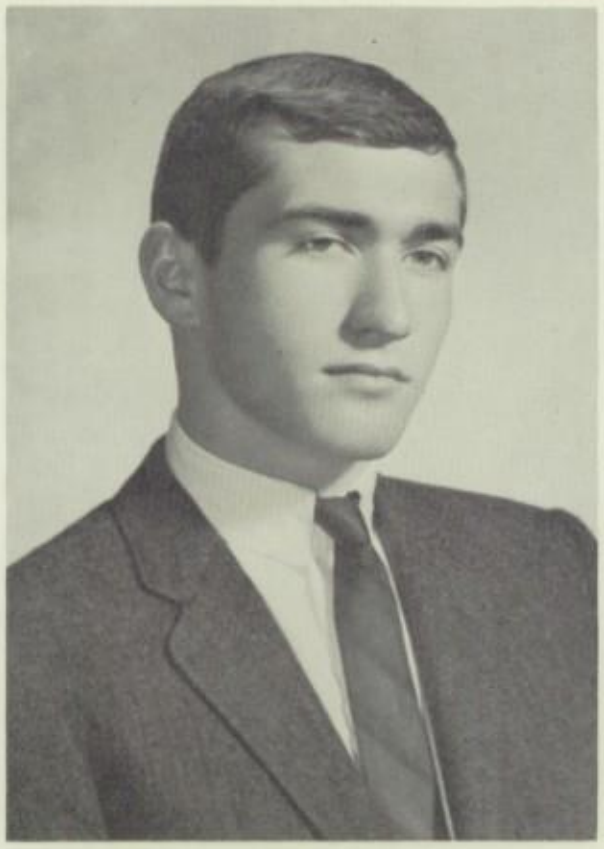
Four Years - Co-Captain of Varsity Football, Co-Captain of Varsity Wrestling, Smoking Club, Boarders' Council, Monogram Club, Jackson. When Mr. Bolling hears the trash cans go rolling down the steps of Cottage Four, he knows that Doc is at it again. This is by no means the extent of Doc's athletic prowess, however. He has played varsity football for three years and this year was co-captain of both the football and wrestling teams. At the St. Alban's Wrestling Tournament, he was first in his class, pinning his Woodberry opponent in the final match. Doc has given much to St. Christopher's, and he will spark the spirit at V.M.I.



HARRY LELAND FRAZIER, JR. "Le"
106 Seneca Road

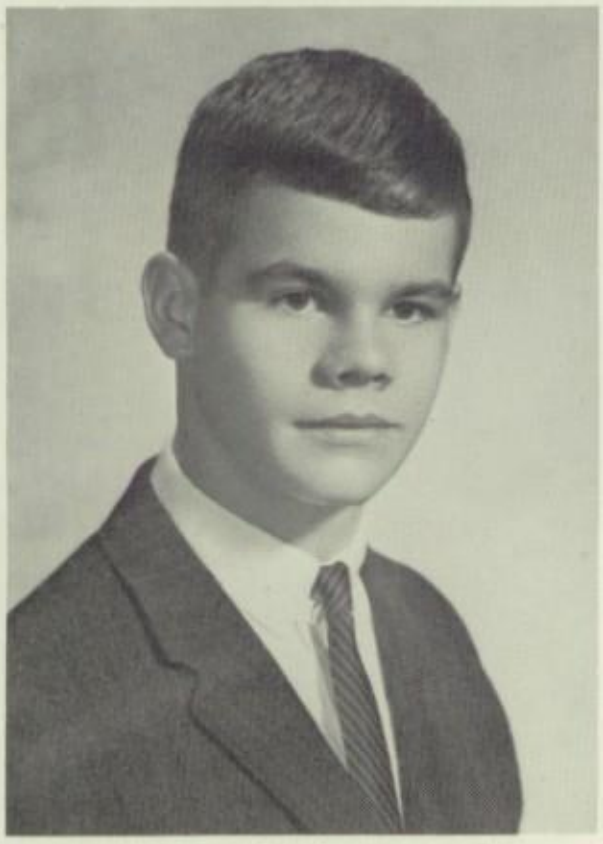
Four Years - Student Council, Director of Missionary Society, Monogram Club, Varsity Soccer, PINE NEEDLE staff, RAPS & TAPS staff, Cheerleader, Lee. Le came to St. C. four years ago. Since then, he has contributed his talents to school life - he has worked as a photographer for school publications, worked with dance committees, starred on the soccer team, and, most important, earned respect and friendship from everyone. He was also elected by his class to the Student Council. His contagious school spirit has been an asset to all school functions. Any description of Le is incomplete unless something is said about his "chinning". Le has introduced this unique habit to St. C., and will doubtlessly carry it to Hampden-Sydney.





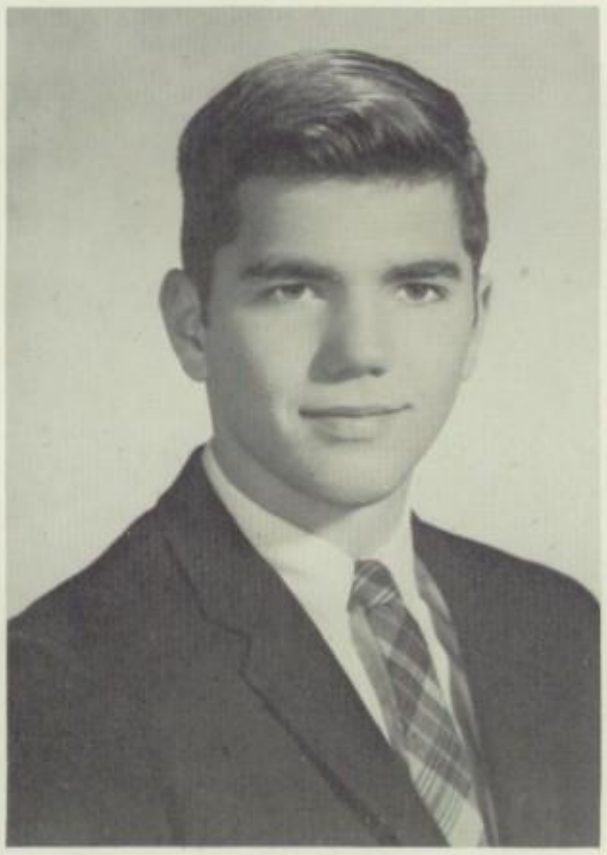
THOMAS CARY GRESHAM "Bumby"
1810 Park Avenue

Thirteen Years - Chairman of the Honor Council, Chairman of the Student Council, President of the Senior Class, President of the Missionary Society, President of the Jackson Literary Society, Vice-President of the Monogram Club, PINE NEEDLE staff, Varsity Soccer, Varsity Baseball, Jackson. During his years in the Upper School, Bumby has been the undisputed leader of his class. His maturity, honesty, and devotion to the school have won for him the respect of faculty members and students. No further proof is needed of this than a glance at the positions he has held: Chairman of the Student and Honor Councils, President of the Missionary Society, and President of the Senior Class. This year's Varsity Baseball captain, Bumby has been the pitching stalwart of the team for two years. His outstanding record speaks for itself, and we are sure that Gresh will continue his achievements at Wahoo.



RICHARD POOLE HANKINS, JR. "Rick"
4300 Stuart Avenue

Thirteen Years - Varsity Cross Country, Manager of Varsity Basketball, Co-Editor of the PINE NEEDLE, Business Manager of the Dramatics Club, Monogram Club, Lee. Rick is one of the most dedicated members of his class. He is known for his conscientiousness and quiet determination; he is always there when you need him. His diligence as a student has paid off in first rank grades. He received a National Merit Scholarship letter of commendation - an enviable achievement. In an extracurricular vein, Rick is athletically inclined. He often traveled with the cross country team and was a manager of the basketball team. Otherwise, he served in the responsbile task as Co-Editor of the PINE NEEDLE. Rick can be expected to continue such achievements and thus to gain success in later life.

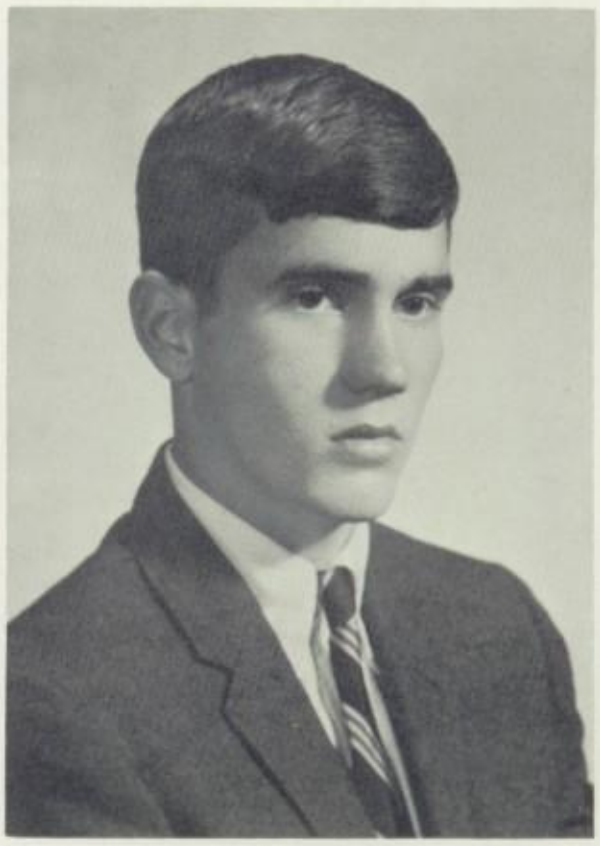


GEORGE DOUGLAS HAYDEN, JR. "Friendly Doug"
331 Oak Lane

Five Years - Varsity Football, Varsity Soccer, Varsity Tennis, Lee. "Friendly Doug" always seems to have a chuckle. His familiar smile endures even speeding tickets and exams. Much of his energy this year has been used in sports: he participated in football, soccer, and tennis. Playing soccer for the first time, he quickly earned a reputation as a strong-footed halfback. When not competing, Doug could usually be found among the spectators, cheering for the Saint team. Essentially a ladies' man, he has acquitted himself well in that field. We expect that Doug's friendly manner and his ability to get along with everyone will continue to win friends for him.

RANDOLPH LIVINGSTON HERRING "Ranny"
5417 Cary Street Road

Fourteen Years - Monogram Club, Varsity Soccer, Co-Captain of Varsity Tennis Team, PINE NEEDLE staff, Lee. Ranny has long been the big man of the tennis team; his ability, recognized by his teammates, has earned him election as co-captain of this year's squad. He has shown ability on the soccer field as well, being a two letter man in that sport. He has also worked as a member of the school newspaper staff. Known for his joviality in class, Ranny has injected much humor with his well-chosen comments. His famous VW bus has a reputation for its adventurous career. Ranny (alais "Hickory") hopes to attend either Hampden-Sydney of Wahoo - we are certain he will be a welcome addition anywhere.



GUY WINSTON HORSLEY, JR. "Horse"
6100 Three Chopt Road

Thirteen Years - Secretary of Student Council, Honor Council, Co-Editor of RAPS & TAPS, Director of Missionary Society, President of the Lee Literary Society, Varsity Soccer, Monogram Club, Vice-President of Senior Class, Lee. Thirteen years ago, Mrs. Lavender gave Guy little stars on his printing because he was the smallest boy in the class. Today, he is still the shortest boy in the class, but he does not need the stars. He is an undisputed leader of the class. For the last four years his classmates have elected him to the Student and Honor Councils. Horse was the regular left inside for the soccer team, a cheerleader, and an editor of the superior publication. Guy will be a credit to St. Christopher's next year when Williams gets the "Short" end of the deal.

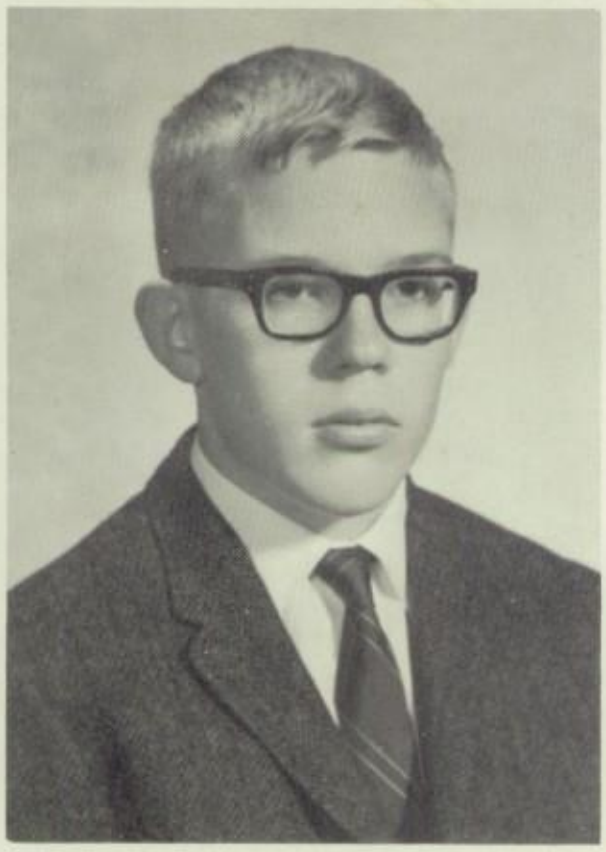
ROBERT EDWARD HUTCHINSON, JR. "Bobby"
4706 Cary Street Road

Seven Years - Varsity Baseball, PINE NEEDLE staff, RAPS & TAPS staff, President of Dramatics Club, Monogram Club, Jackson. During the past few years, Bob has found the time between dating and weight lifting to give of his time and abilities to the school. He has been the backbone of the Dramatics Club, and has shown his exceptional talent as an actor in recent productions. In appreciation of his services, he was twice elected president of that body. However, he did not limit himself to one school organization. He worked for the RAPS & TAPS and PINE NEEDLE staffs. Hutch won his letter as an outstanding first baseman. Bob's good humor, his ability to make friends, and his eagerness to work in many different activities assures him success in whatever he plans to do.

ISAIAH TUCKER IRVIN, JR. "Tucker"

Augusta, Georgia

Two Years - Varsity Wrestling Team, Monogram Club, Lee. When Tucker came to St. C. two years ago, he immediately adopted Frank Freuler and Heber Himmelwright. At supper one night, he declared that he "detested physical contact." Unfortunately for many wrestlers in the Prep League, Tucker proved untrue to his declaration. For two years he has been the terror of the mat in the lower classes. Last summer, he worked with Jack Grimmet on a fishing boat in Morehead city and returned in the fall with the wild tales of nights at the beach. Tucker has lived with two North Carolina boys so we know he can handle anything the University of South Carolina can throw at him.



WILLIAM ALLEN JOHNS, JR. "Shoulders"

11 Tapoan Road

Thirteen Years - Varsity Football, Varsity Wrestling, Monogram Club, PINE NEEDLE staff, Dramatics Club, Director of Missionary Society, Jackson. "Shoulders" takes the prize for school spirit. Allen puts his all into every block on the football field and into every pin on the mat. He shoots the most doves, makes the worst home brew, and ferments the best wine in the class. Allen's eagerness, his modesty, and his school spirit have made him well-liked. His colorful debates with Dr. B. in physics have enlivened that class. Without a doubt, he is the most loyal member of his class, and we wish him the best at Hampden-Sydney.

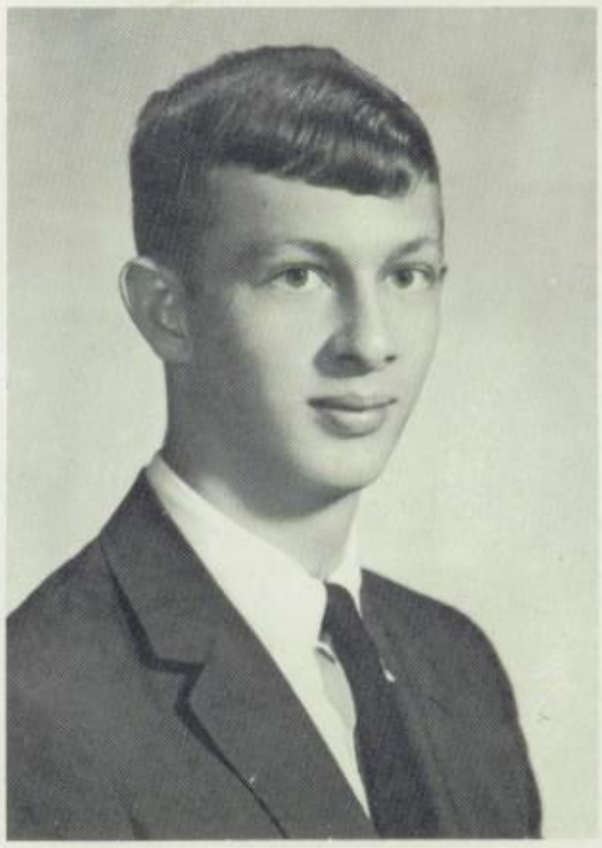
KEVIN SPRAGUE JONES "Kevin"

Falmouth, Virginia

Three Years - PINE NEEDLE staff, Director of the Missionary Society, Monogram Club, Manager of Varsity Track, Lee. In his short career here, Kevin had made for himself a truly fine record. From the start, he has had a consistently excellent scholastic average; he was a finalist in National Merit Scholarship competition. Although a two season member of the "O" squad, Kevin demonstrated in the 5 star events that he is no slouch as an athlete. He was front page editor for the PINE NEEDLE and was elected by his class as a Director of the Missionary Society. A farmer at heart, Kevin evidenced disappointment at not being allowed to decorate his cottage with his gourds and corn. We trust that he will develope into a fine botanist.

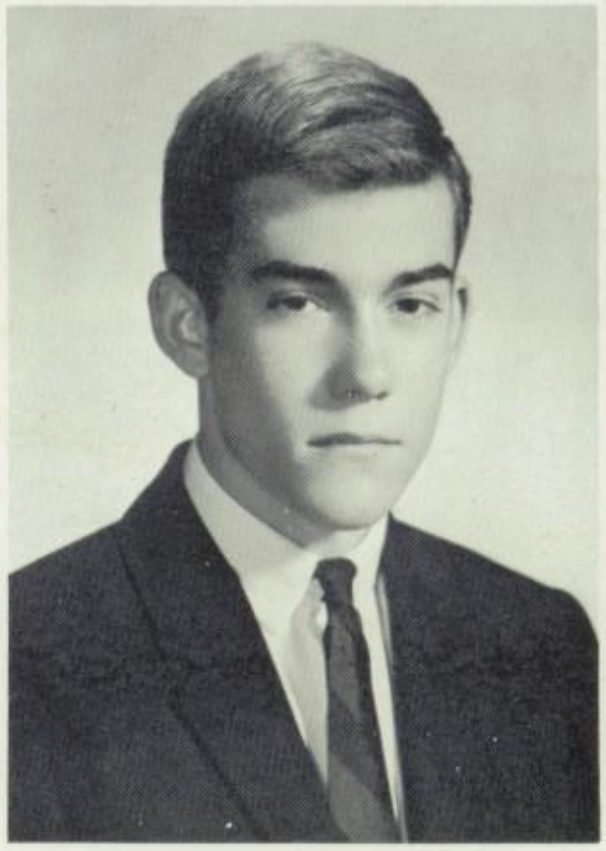
SHERWOOD ADAMS JONES "Sherwood"
1142 West Avenue

Thirteen Years - Varsity Soccer Team, Assistant Manager of Varsity Football, Dramatics Club, Jackson. Sherwood goes unchallenged as the leading speaker and declaimer of his class; he can always be counted on to post a high score in Society Meetings, and, strangely enough, he seems to be in more of them than any other member of the class. He has not confined his speaking ability here, however; the Dramatics Club has made use of him, and he was particularly outstanding as a senator in CORIOLANUS. It is curious that he always seems to be driving a different car. Basically a quiet fellow, Sherwood amuses his classmates with his self-cutting humor. We wish him the best of luck in the future.



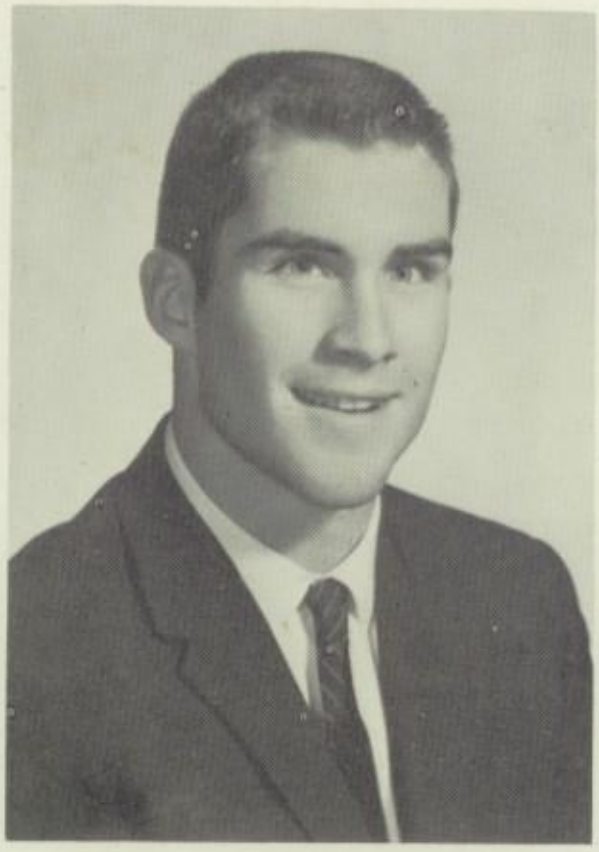
BERNARD BROOKS LIPFORD, JR. "Brooks"
4002-A Wythe Avenue

Six Years - Varsity Football, Varsity Soccer, Smoking Club, Lee. Whether on the soccer or football field, Brooks is known for his stamina. Coming out for football for the first time, he caught on quickly and did well. As goalie for the soccer team, Brooks did a good job, especially against the German team. One of Brooks' distinguishing traits is his eagerness to help in school activities. Often, he has voluntarily helped to decorate for school dances. His headquarters this year has been the "S" Club, in which he has become a familiar member. We wish him luck in future life.



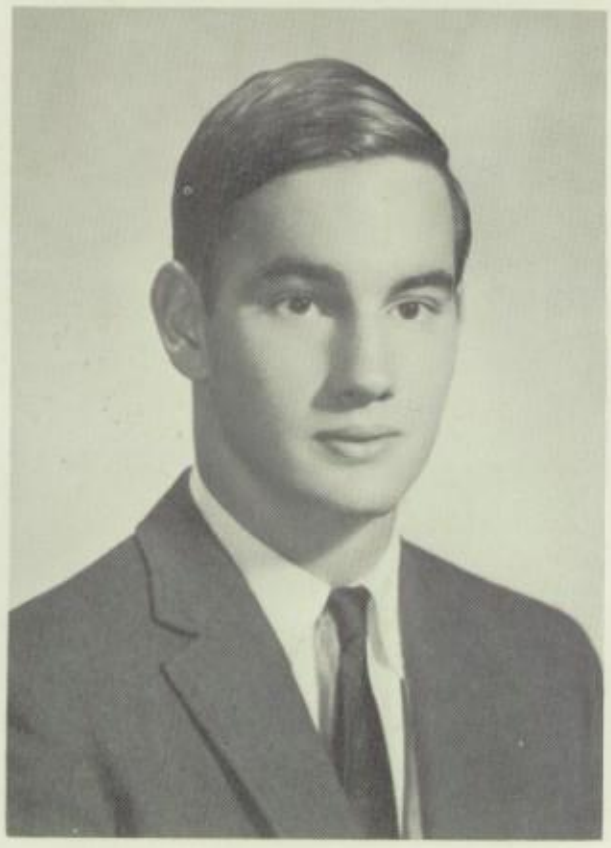
GEORGE RILEY MERCER, JR. "Merce"
4107 Exeter Road

Four Years - Co-Business Manager of the HIEROGLYPHIC, PINE NEEDLE staff, Monogram Club, Varsity Soccer, Varsity Tennis, Jackson. "Merce", in his four years at St. C., has made himself a prominent member of his class. His talents have been shown in athletics and literary fields. He has participated on the varsity soccer and tennis teams for two years. This year, he has proved to be one of the top scorers in the soccer matches, and was inspired by cheers from his many female fans. George's work as Co-Business Manager for the HIEROGLYPHIC and with the other publications has been valuable. It is certain that his talents will reward him with success.



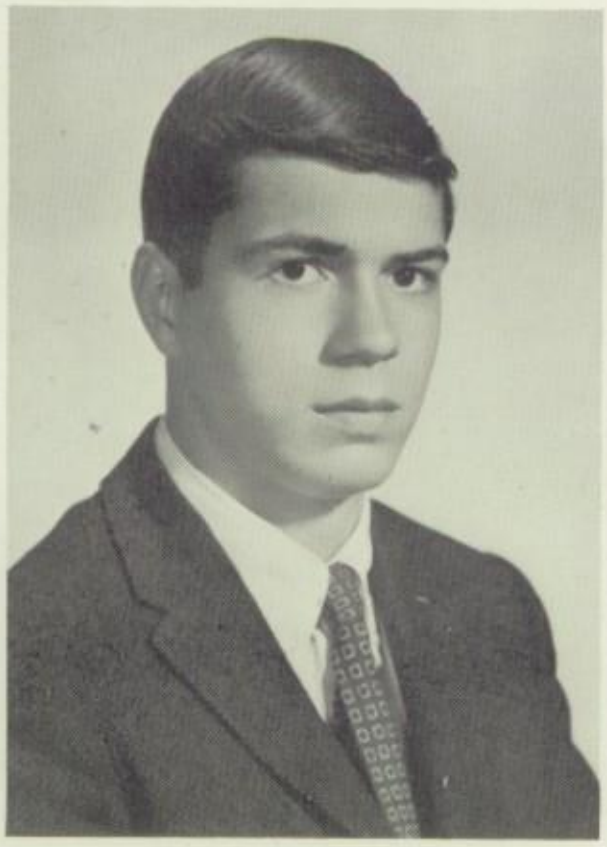
RICHARD STOKLEY MORGAN "Dickie"
6213 Three Chopt Road

Twelve Years - Co-Captain of Varsity Football, Sports, Editor for PINE NEEDLE and RAPS AND TAPS, Varsity Wrestling, Varsity Track, Director of Missionary Society, Monogram Club, HIEROGLYPHIC staff, Lee. Dickie is truly the athlete of the class. Excelling in football, wrestling, and track, he has earned many letters and admirers. As a co-captain of the football team, he has shown initiative and leadership by his will to win. Dick does not confine himself to sports, however; he leads in other activities as well. He is a sports editor for both the school newspaper and annual. The respect accorded him by his classmates is shown by his election as a Missionary Society officer. As he leaves with air tank and spear gun in hand for the beach, we wish him lots of buried treasure.



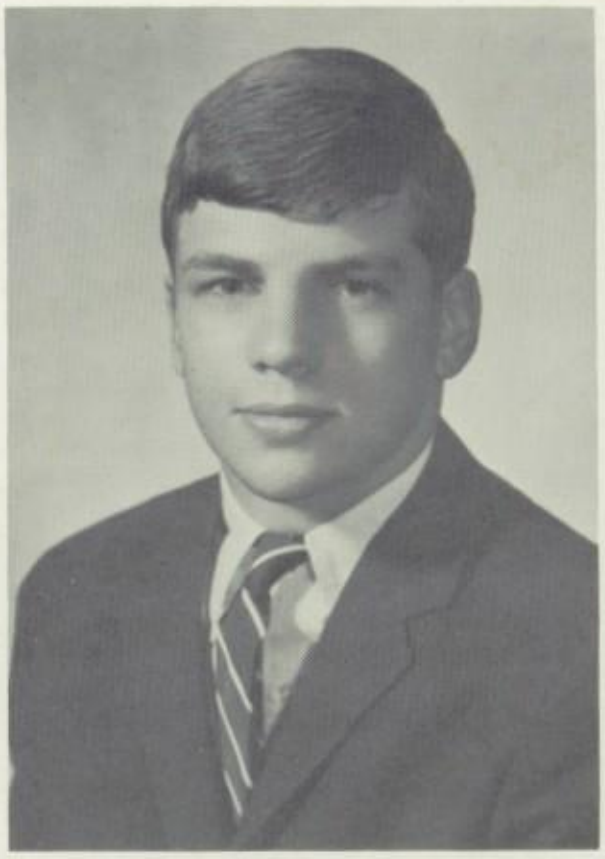
HOWARD McDOWELL McCUE, III "Scotty"
12 Huntley Road

Thirteen Years - Varsity Football, Varsity Basketball, National Merit Scholarship Finalist, Co-Editor of RAPS & TAPS, Director of the Missionary Society, Glee Club, Dramatics Club, Jackson. Scotty has been the academic leader of the class of '64 throughout the Upper School. His scholastic achievements earned him the Harvard Club Prize and the Moore French Prize in his junior year. He placed well in the National Merit Scholarship competition. While maintaining his high standing, he has found time to work with various school organizations. He has been a member of the Dramatics Club since the Middle School, played end on the football team, and was the lone senior among the roundballers. Also this year, Scotty was editor of the annual. He is sure to find success at Princeton.



JOHN WIGHTMAN NASH "Johnny"
604 St. Christopher's Road

Ten Years - Varsity Soccer, Dramatics Club, Smoking Club, Jackson. Johnny is one of the old men of the "S" club. He has occupied a position of importance therein for several years. There is hardly a boy in school who has not learned to appreciate his humor. He has also been prominent in the Dramatics Club and served as a nimble-footed defenseman for the soccer team. Although we do not know for sure, John is rumored to be something of a lover, and he is a roadster with a hot Chevy station wagon. We are sure that he will find good fortune at the Military Institute.

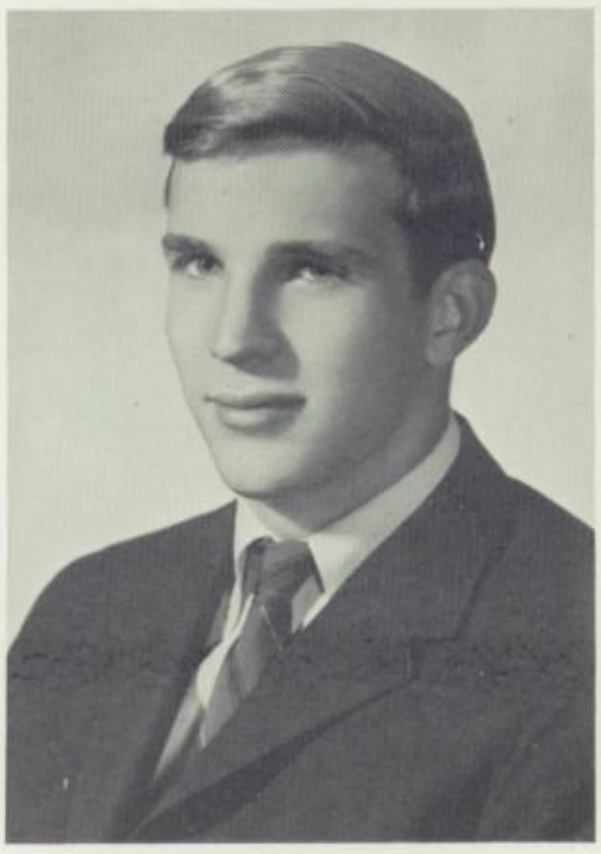


ROBERT EUGENE NEWMAN, III "Bob"
Farmville, Virginia

Five Years - Monogram Club, Secretary of the Boarders Council, Smoking Club, PINE NEEDLE staff, RAPS & TAPS staff, Varsity Soccer, Varsity Track, Jackson. In his five years at St. Christopher's, Bob has become a familiar figure on our campus and on the campus of St. Catherine's with his Yale jacket and ascot. He has distinguished himself academically with consistently high grades, and this year he had earned a letter of commendation from the National Merit Scholarship Corporation. Athletically, Bob earned his letter in track during his Sophomore year. Since then, he has been plagued by injuries and hard luck. He did manage to participate in soccer, however, and has proved to be a valuable defensive player in that sport this year. Bob will acquit himself well anywhere, as he has done at St. C.

SAMUEL WATKINS OWEN "Singing Idol of Millions"
5902 Crestwood Avenue

Thirteen Years - Glee Club, Dramatics Club, HIEROGLYPHIC staff, RAPS & TAPS staff, PINE NEEDLE staff, Varsity Wrestling Team, Smoking Club, Jackson. When one thinks of Sam Owen, he thinks of two things: women and a successful career. The singing idol of millions and snower of thousands has lent himself to many school functions. He has given his popular voice to the Glee Club and his acting talent to the Dramatics Club, in whose behalf he has been featured in many productions. Sam is envied for his great sense of humor and has always been a great asset to St. C., as he will be to any institution. We wish him the same success that he has been having this year.



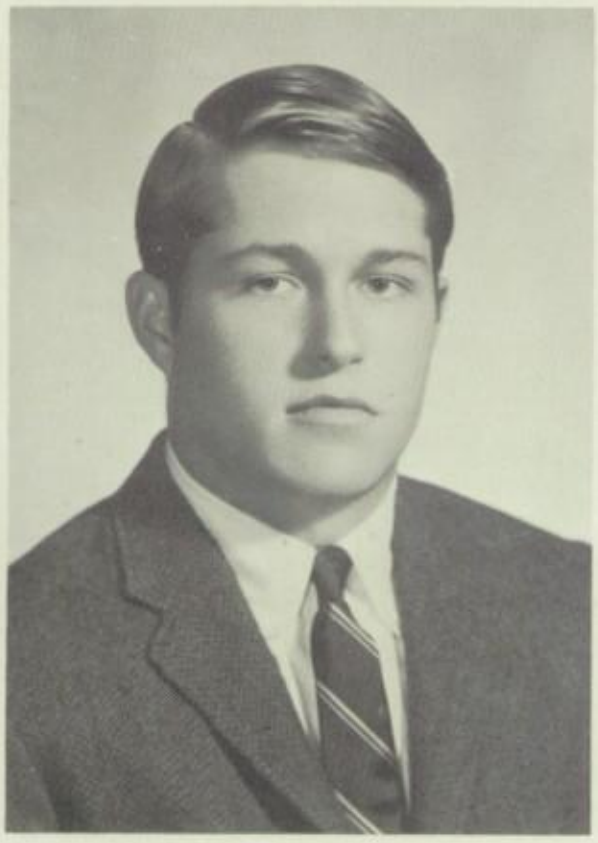
JACK McPHERSON PARRISH, III "Mac"
6100 Howard Road

Fourteen Years - Monogram Club, Smoking Club, Captain of Varsity Soccer Team, Varsity Baseball Team, RAPS & TAPS staff, Jackson. Mac has earned the admiration of his class by his casual and friendly manner, his smoothness with the opposite sex, and his loyalty to the school. Impressed by his drive and strong desire to win, his teammates on the soccer team elected him captain. In soccer matches, it is evident to all that Mac is out to win, and he is a formidable competitor to his opponents. This year, Mac has also participated in baseball and has worked on the annual staff. The college he chooses will be indeed fortunate to include him in its student body.

LEON ASHLEY PEEK "Cleo"

West Palm Beach, Florida

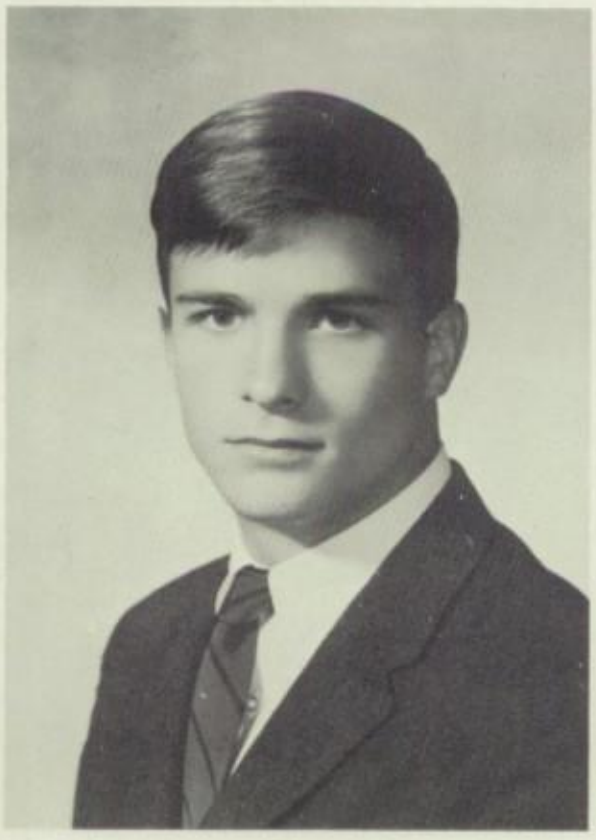
Four Years - Varsity Football, Monogram Club, Dramatics Club, Co-Business Manager of Hieroglyphic, Smoking Club, President of Glee Club, Jackson. Cleo has served the cause well, and that includes just about all school functions. He did a great job as tackle for the football team. He also used his voice well and was elected President of the Glee Club for this talent. His services were invaluable as a stage manager for the Dramatics Club productions. During his leisure time, Leon could be found picking his guitar in the confines of the "S" Club. A booming speaker, he has served as master of ceremonies for many school affairs. We wish him happy strumming in the land of the sun.



JOHN ATWOOD PERKINS "Hayseed"

Seaford, Virginia

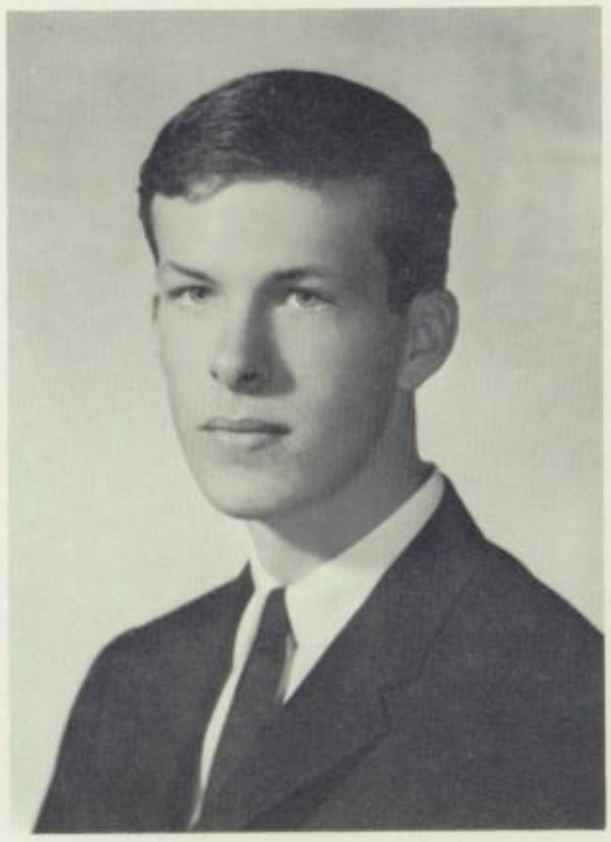
Two Years - Varsity Football, Varsity Baseball, Smoking Club, Monogram Club, Lee. Jack's friendly attitude and lumbering swagger have become familiar on campus. His declamation on daffodils last year in a society meeting should go down in the school history. A two year member of the Monogram Club, Jack as excelled in sports. In football, "The Toe" made quite a name for himself with his place-kicking and booming boots. He was also a regular on both offense and defense. In baseball, he has earned a reputation for hitting towering line drives - straight up. "Hayseed", as this third nickname implies, always seems to have a grin on his face. We are confident that he will do well.



ROBERT BOSHER PURCELL "Bob"

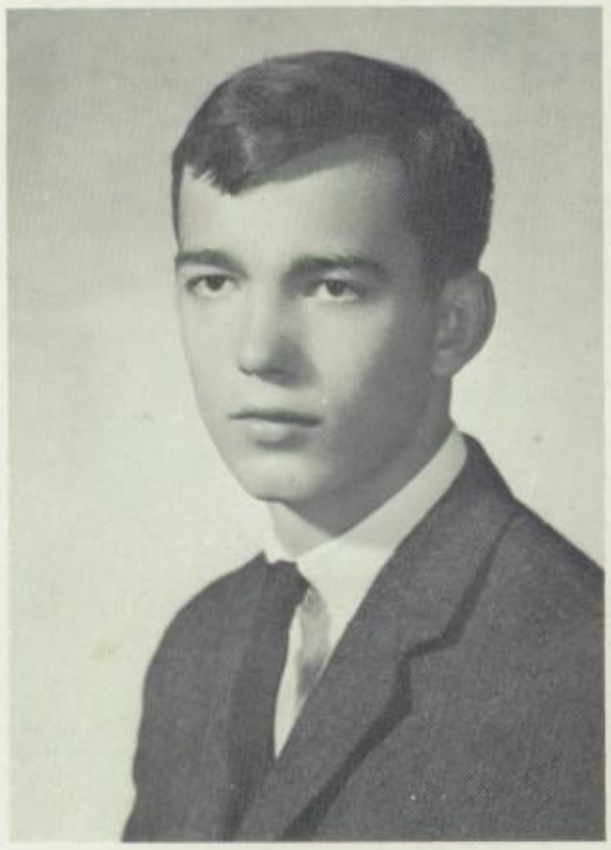
6408 Three Chopt Road

Thirteen Years - Secretary of the Senior Class, President of the Monogram Club, Director of the Missionary Society, Librarian of the Glee Club, RAPS & TAPS Co-Subscriptions Manager, Varsity Football, Varsity Soccer, Varsity Track, Student Council, Jackson. Bob has walked the hallowed grounds of St. Christopher's for thirteen years, and every step has been a genuine effort. However, he has never lacked school spirit on the athletic field, and has, at the same time, maintained a good average. A true gentleman, Bob has many women longing to date him, but, shy and confident, he has avoided all but one. One may have occasion to drive down Tempsford Lane and should not be surprised to see the "white elephant" parked there. Bob has acquired the respect of all his friends throughout the years, as shown by his election to the Student Council. We are sure he will contribute much to The University.



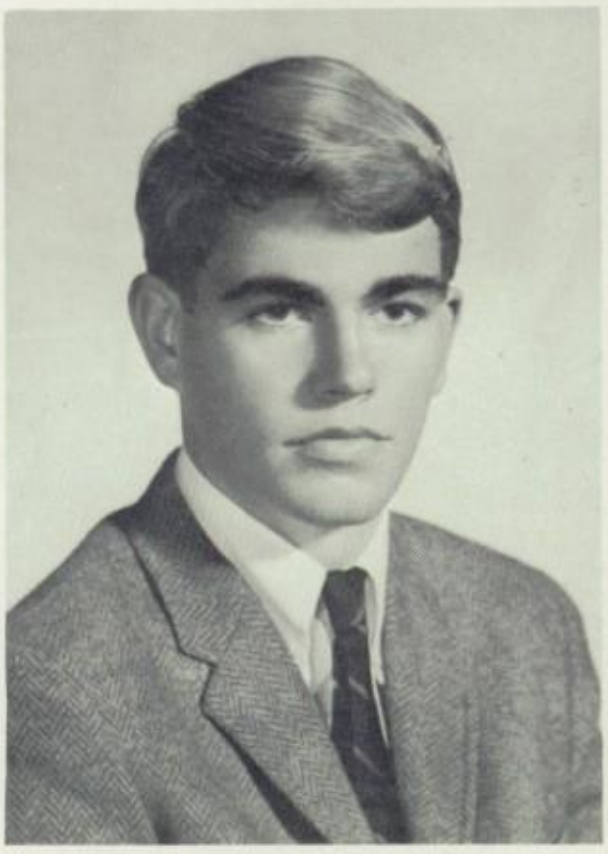
DOUGLAS PENDLETON RUCKER, JR. "Doug"
2712 Monument Avenue

Twelve Years - Dramatics Club, Smoking Club, Cheerleader, RAPS & TAPS staff, PINE NEEDLE staff, Varsity Track, Jackson. Doug started his career at St. Christopher's by winning the prize for scholarship in the first grade, and he has continued to maintain a good average. Famous for his quick wit, he has added much to every school day. He is also the proud owner of the "businessman's coup" with the nortorious reputation. Doug's loud cheers, booming encouragement to the football team, has rivaled the reports of the cheerleaders' canon. With help from his two cohorts, he originated the "Sleed-a-Bench" dance at St. C. As Doug leaves, followed by the fair girls of Virginia, St. Christopher's loses an irreplacable character and a loyal supporter.



ALFRED LITTLEFIELD SMITH, JR. "Fred"
100 Matoka Road

Thirteen Years - Dramatics Club, Smoking Club, Raps & Taps staff, Hieroglyphic staff, Statistics Keeper for Varsity Football Team, Lee. Fred is certainly one of the more colorful members of the Senior Class. He is famous for his "same old khaki pants" and his touching devotion to the Smoking Club. The Legend of the Big Recess Tree Tie will not soon be forgotten at St. C. For two years, Fred has had the hard luck to lose a position on the football team due to leg injuries. Nevertheless, he did his part, serving as Statistics Keeper for the games. He has served on the Raps & Taps and Hieroglyphic staff and as a member of the Dramatics Club props crew. Fred will certainly be a welcome addition to any college.

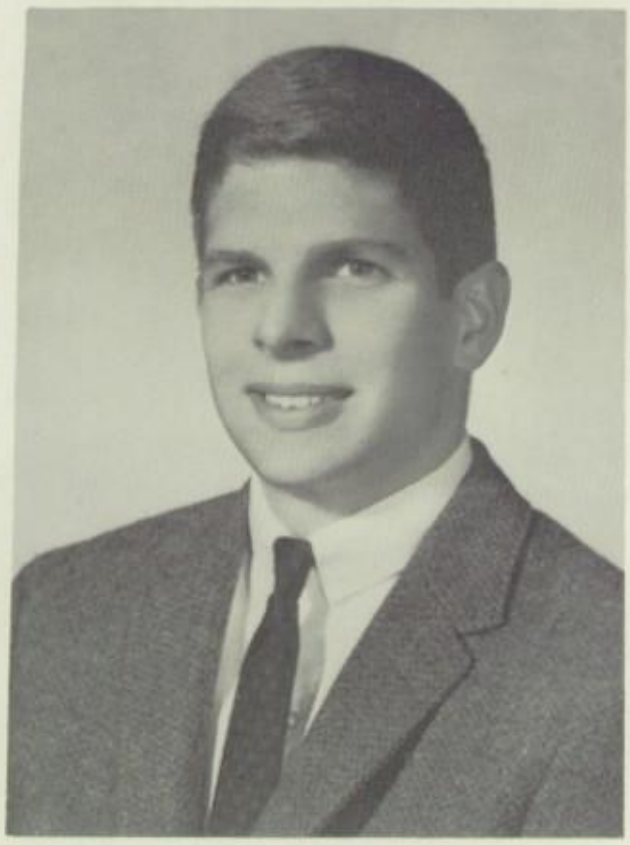


CHARLES MARSHALL TAYLOR, III "Chuck"
1217 Westover Gardens

Four Years - Co-Head Cheerleader, Glee Club, Smoking Club, Dramatics Club, Chief Photographer for Raps & Taps, Varsity Track, Jackson. The class clown, Chuck has enlivened many a class, not to mention recess, with his timely witticisms. He has lent his talents to many school functions. Where would the Glee Club be without his golden voice or the Dramatics Club without his "rough guy" antics in the mob scenes. As head cheerleader, Chuck aroused the spirit of the school in support of the football team. His pleas for an "S" and his posters did much to help the team effort. In his spare time, Chuck coulc be found in the Country Club parking lot with "what's her name." Good luck to C.M.T. in his four years of solitary confinement.

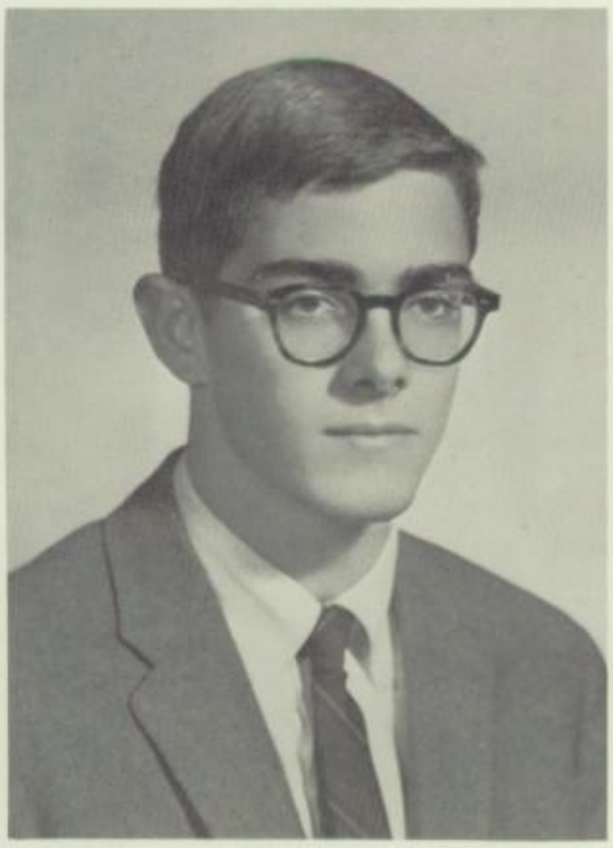
CHARLES EDWARD TROLAND, JR. "Troll"
325 Oak Lane

Thirteen Years - Editor of HIEROGLYPHIC, Vice-President of the Dramatics Club, Correspondent for the RICHMOND NEWS LEADER, Literary Editor for RAPS & TAPS, PINE NEEDLE staff, Smoking Club, Lee. Ted has always had one of the best academic records in his class. He became a finalist in the National Merit Scholarship competition and has been an excellent pace-setter for Scottie. Although he has waged a titanic struggle to keep physically unfit, he has added his talents to many worthy tasks around school. He was editor of the literary magazine and a columnist for the PINE NEEDLE. In the winter, the active annual staff was helped by "Troll", and the Dramatics Club elected him as their Vice-President. Ted spent many of last summer's hours at the various "in" places, and when asked what he was doing this summer, he replied, "The same." Well, have fun, Ted.



MELVIN BRUCE WALLINGER "Brews"
Ashland, Virginia

Five Years - PINE NEEDLE staff, Varsity Track, Glee Club, Monogram Club, Jackson. Bruce, the terror of Ashland, is one of the illustrious long-time boarders of the Senior Class. Both the Glee Club and the Dramatics enjoyed his skillful participation. He was the head reporter for the PINE NEEDLE and was responsible for many "interesting" articles. Bruce has established himself as a conservative wit and is famous for his one-lap 880's on the P. O. squad and his stimulating discourses with Henry. He experienced a "depressurized" senior year due to his early acceptance by the U. Va. This well shows his academic ability. Smooth sailing through the next four years, Bruce.



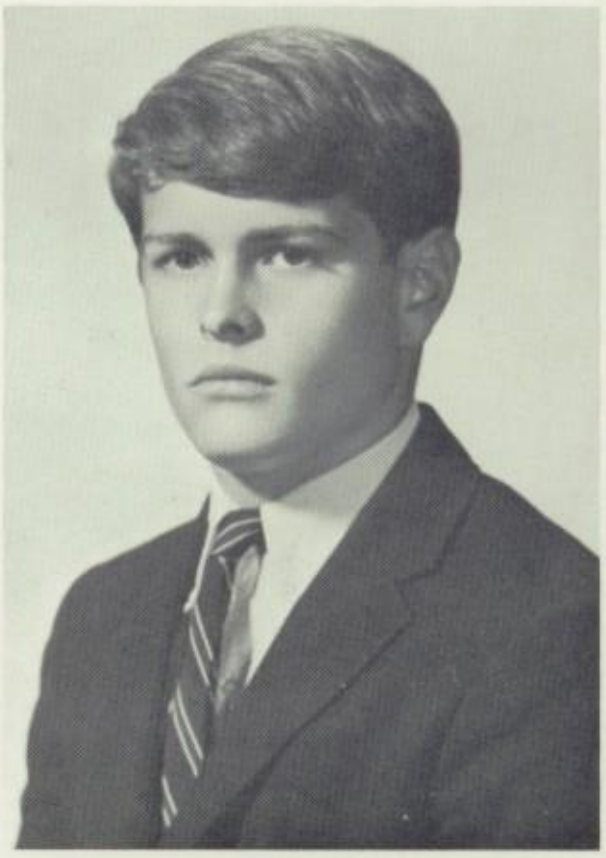
ARMISTEAD DANDRIDGE WILLIAMS, JR. "Armpie"
Williamsburg, Virginia

Seven Years - Student Council, Secretary of the Honor Council, PINE NEEDLE staff, Captain of Cross Country Team, Varsity Wrestling, Varsity Track, Monogram Club, Dramatics Club, Glee Club, Director of the Missionary Society, Lee. Armistead has consistently been a class leader. He has set fantastic records in "mooching" and in staying in trouble with the girls. He has excelled scholastically, and be became a finalist in the National Merit Scholarship competition. A three letter man, he was captain of the cross country team. The respect accorded him by the faculty and his classmates has been shown by his selection for the Student and Honor Councils. Other organizations have felt his presence, too, such as the Glee Club, Dramatics Club, etc., etc. Yale's gain will be St. Christopher's loss.

JOHN HUNTON WITT "Hunton"

1007 Peachtree Boulevard

Thirteen Years - Dramatics Club, Monogram Club, RAPS & TAPS staff, Co-Captain of Varsity Wrestling Team, Jackson. Hunton is one of the more colorful members of his class. His sense of humor and love of fun have earned him numerous friends. Hunton's wild stories have envigorated an otherwise dull recess at the Smoking Club. One of his admirable traits is his fierce desire to win. As co-captain of the wrestling team, he has inspired his teammates with bold, quick mat tactics. For several years he has truly been outstanding among the St. C. grapplers. In the off-season, Hunton has used his talents in the Dramatics Club. His desire to win should make him excel in life.



JOHN BROOKE YOUNG "J.B."

411 Somerset Avenue

Eleven Years - RAPS & TAPS staff, PINE NEEDLE staff, Executive Committee of Dramatics Club, Jackson. John, though one of the quietest members of the class, is also one of the most conscientious. His detailed Bible notes have saved the grades of many classmates. J. B. has served capably in the thankless tasks of assistant manager and equipment room supervisor. His greatest accomplishments are in drama; he worked long behind the scenes as a sound man, and has recently made a name for himself in an acting capacity, notably in "Brother Rat". His work has merited for him the position of Secretary of the Dramatics Club. John hopes to teach after college.

HONOR COUNCIL

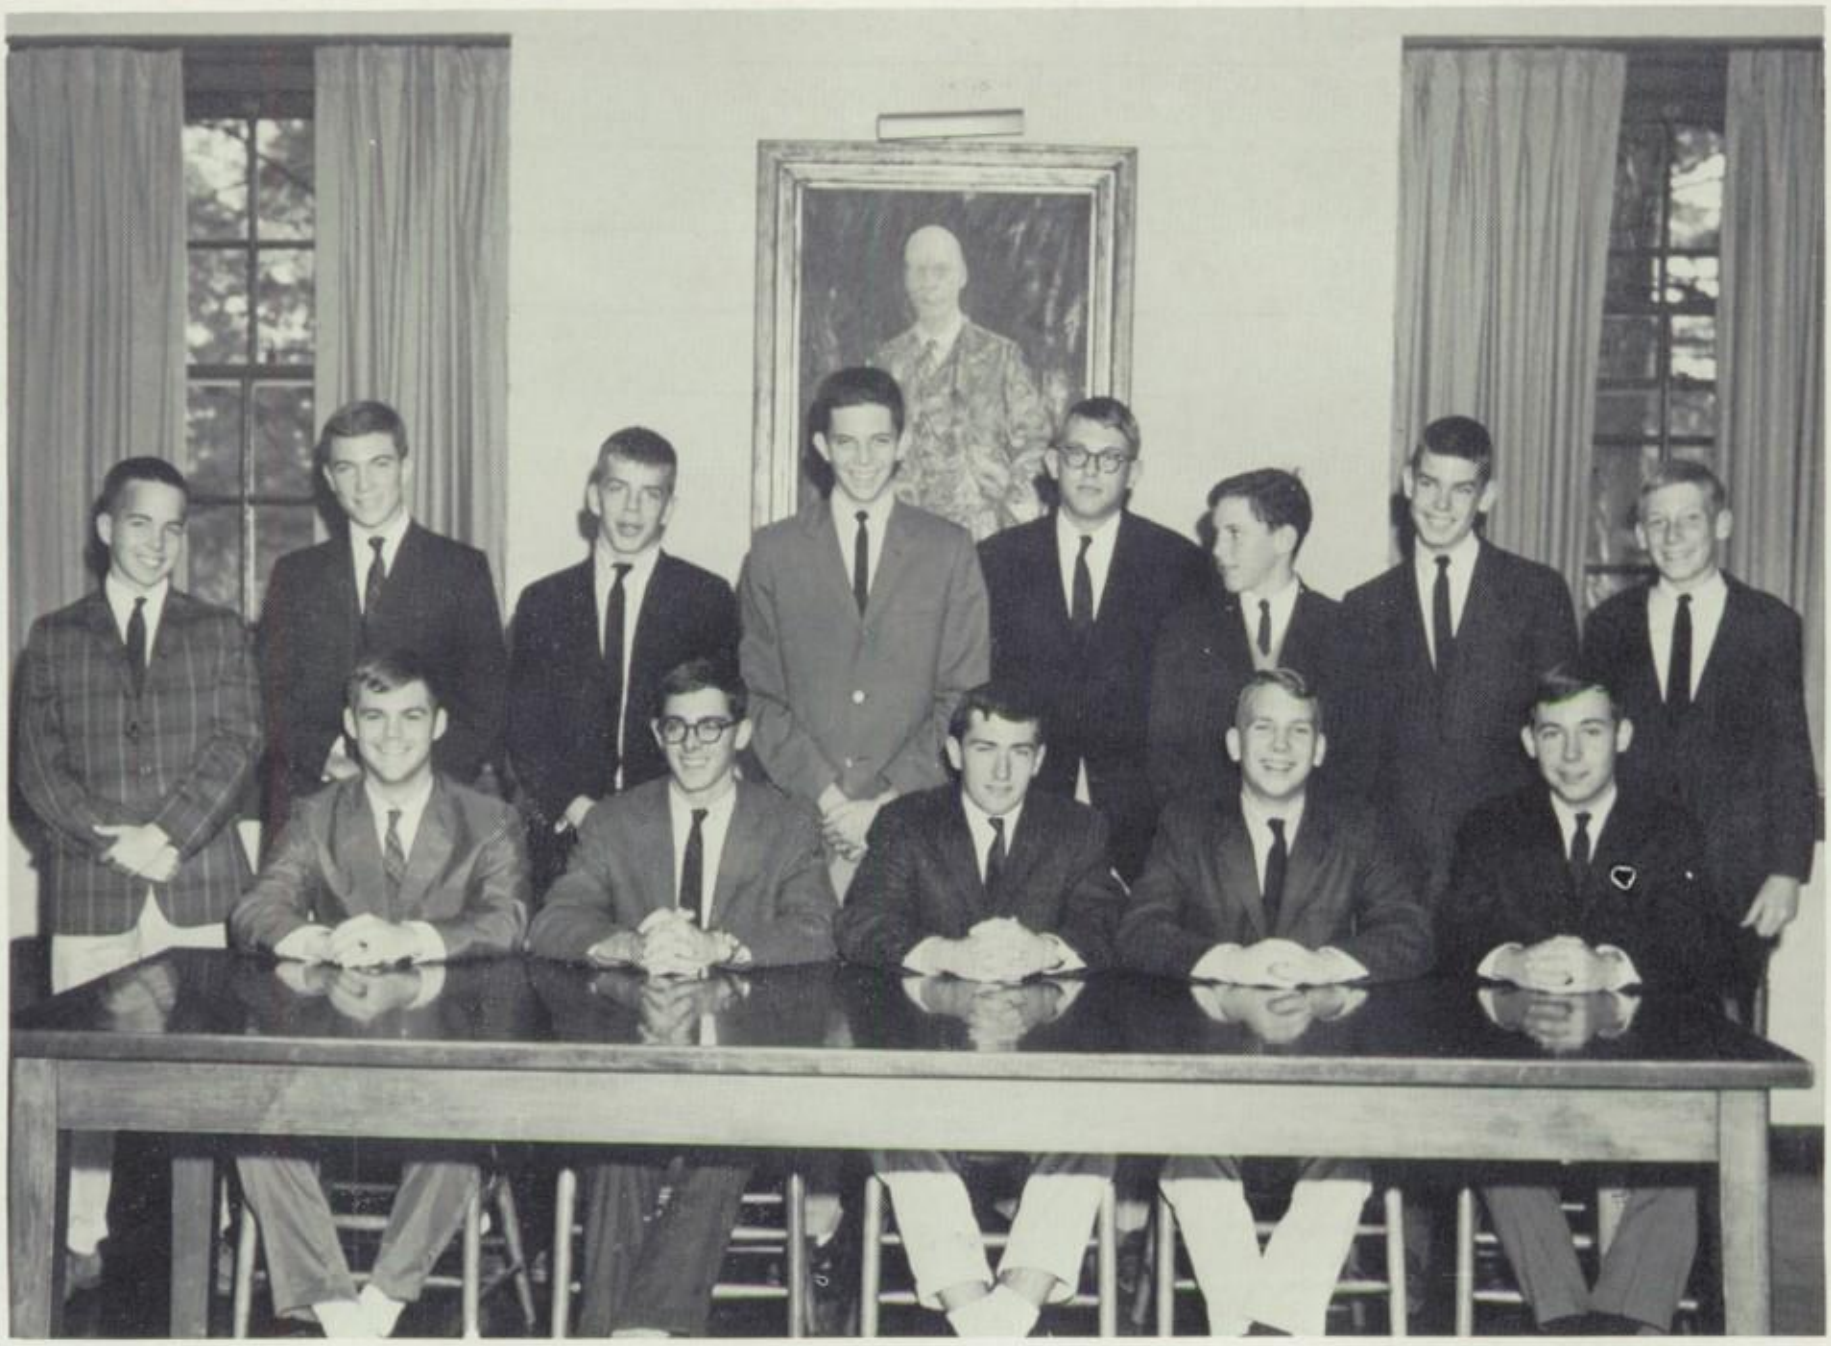
SITTING: B. W. Davenport, Jr.; A. D. Williams; T. C. Gresham; G. W. Horsley, Jr.; F. B. Easterly. STANDING: T. S. Grymes, Jr.; R. L. Pasco; K. J. Cherry, Jr.; E. H. Buckle.

The Honor Code at St. Christopher's is supported and administered by the students. Under it, the individual student is expected not only to conduct himself honorably, but also to see that his fellow students do the same. Nine boys, elected by their classes, compose the Honor Council. Election to this organization is an enviable distinction, but it also involves great responsibility. Unfortunately, many regard the Council as merely a disciplinary body for honor offenders. Actually, this function of the Honor Council is a minor one, and its most important duties are to make the students award of the school's code of honor and to promote honor at St. Christopher's.

This year, Bumby Gresham and Armistead Williams were elected as Chairman and Secretary respectively to the Honor Council. Mr. Brinser and Mr. Moore served ably as faculty advisors for the Council.



SITTING: Craig Bailey, Armistead Williams, Bumby Gresham, Guy Horsley, Le Frazier. STANDING: Reg Bedell, Leroy Smith, Frank Easterly, Hal Purcell, Brad Davenport, Rob Pasco, Gene Buckle, Stokes Grymes.

STUDENT COUNCIL

The Student Council is probably the most important organization in the school, as well as the busiest. Its functions are numerous and varied; its members hold order in the study halls, sponsor dances, and assist at school functions. The primary duties, however, are larger and more demanding of responsibility. The Council serves to create better faculty-student relations, handle tedious tasks otherwise taken on by the faculty, and strives to promote leadership. This year, with the support of the faculty and the students alike, it has capably performed these duties.

SUMMARY OF THE DRAMATICS CLUB
1963-1964

The Dramatics Club under the supervision of Mr. Joseph T. Knox, has again produced three plays. The first, presented in the fall, was FAUSSE MONNAE. The play was a first for Saint C. because it was produced entirely in French.

This year's "main attraction" was THE GAZEBO, which was produced at McVey Theatre this winter. It starred Alden Bigelow, who portrayed a television mystery writer, and John Young, who took the part of a New York district attorney. The murder-mystery-comedy was well received by all who attended and was a fitting tribute to Mr. Knox's ability as a director.

The third production will take place this spring at the Theatre On The Green.

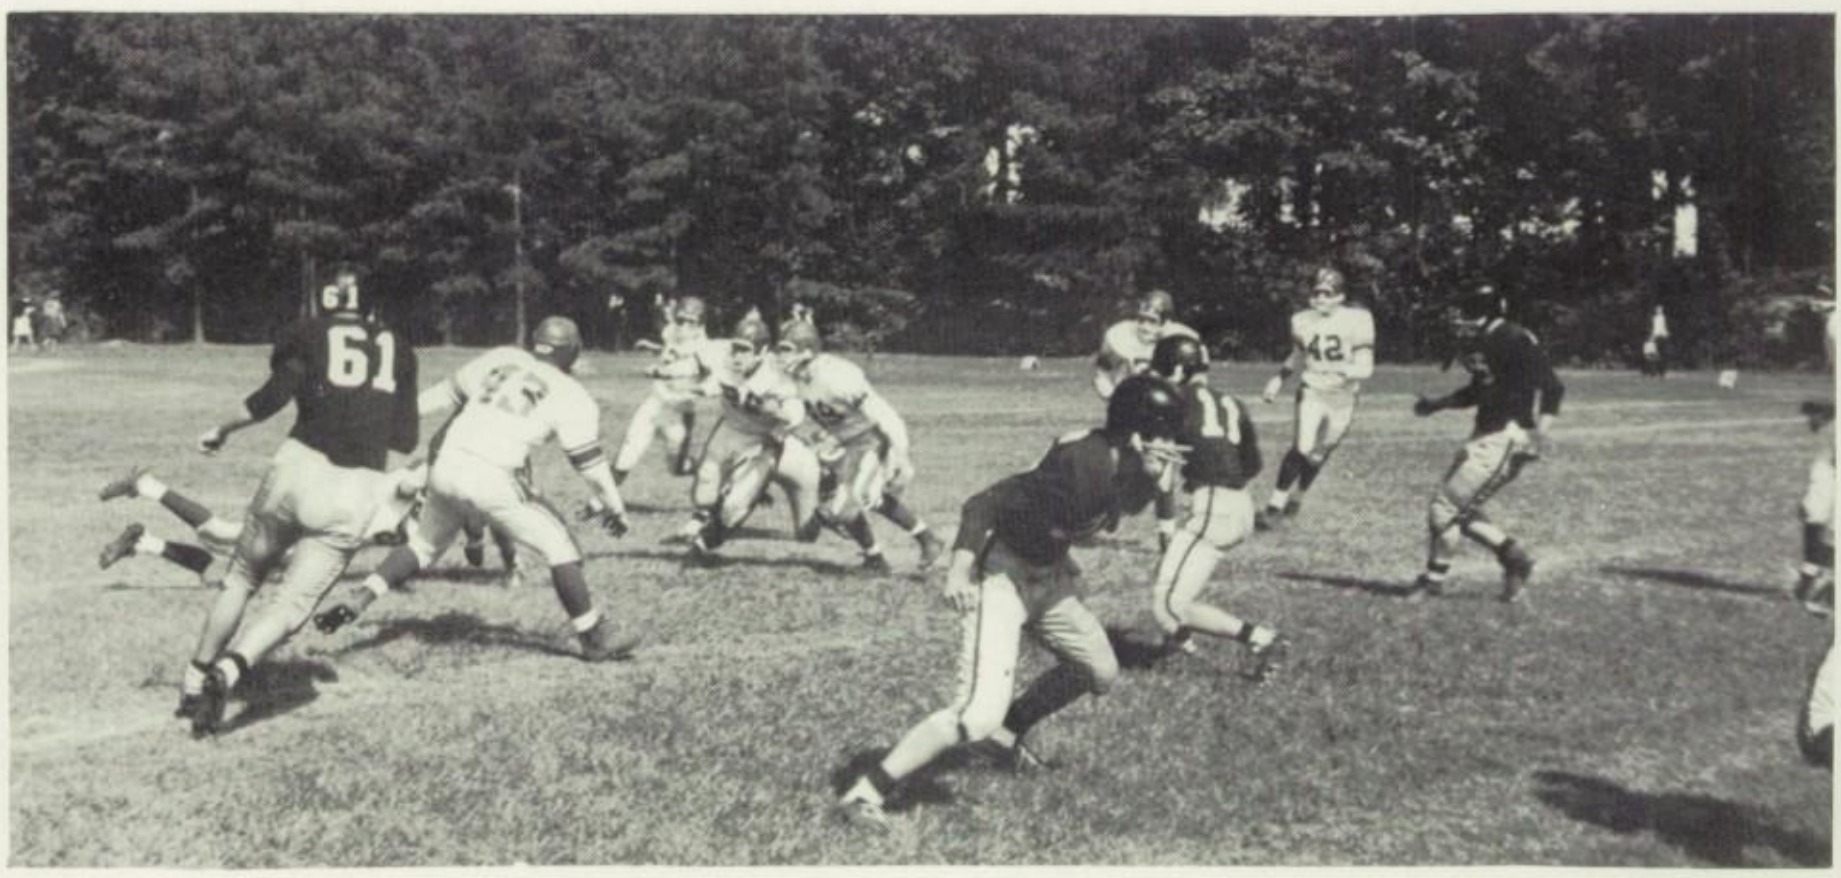
SAINTS TACKLE BENEDICTINE

The Saints started strong, by taking the opener from a highly rated Cadet eleven 16-0. The gut team opened the scoring in the first half with a safety. The go team, led by the passing of Hugh Powell and the running of Dick Morgan, followed quickly with a T. D. The only second half score came on Larry Brydon's pass interception. He scored easily after a twenty yard run-back. The Saint forward wall, led by Doc Frank, Rick Renner, Leon Peek, and big Hugh seemed especially ferocious in this first victory.



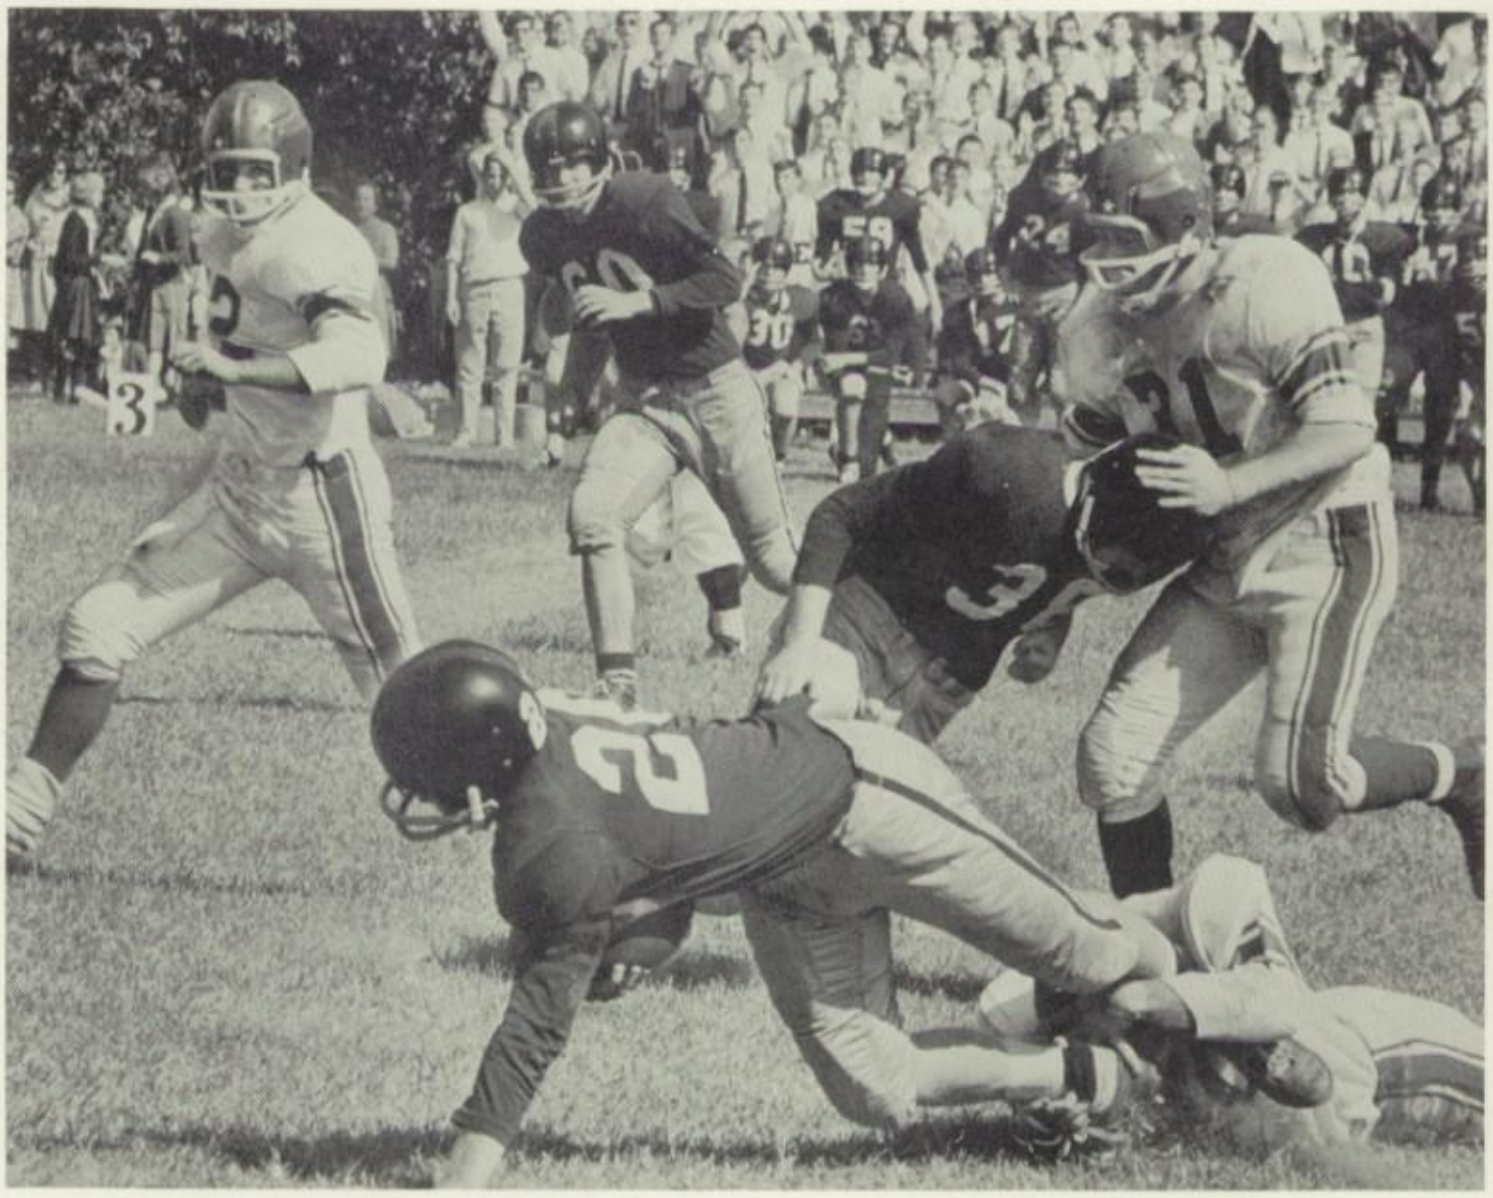
SAINT AIR ATTACK DOWNS ST STEPHEN'S

The passing attack of the Saints looked strong as they defeated the Saints from Alexandria 20-6. In the second quarter, Frank Easterly swept right end on a fifteen yard touchdown run. The Saints scored again when "Scooter" Materne grabbed a pass from Powell and left the opposition looking. The final St. C. score came in the fourth quarter as the result of another Powell bomb to Fasterly. Co-captains, Doc Frank and Dick Morgan, led the spirited Saint defense.

COUGARS EDGE SAINTS

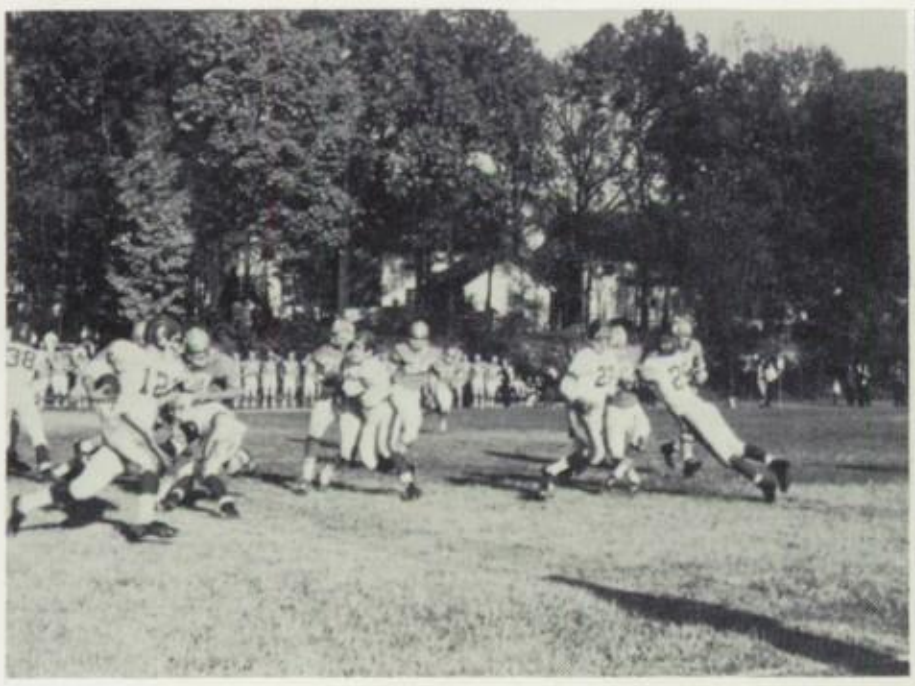
In the third game, the Saints lost a heartbreaker to Collegiate. The Cougars recovered a fumble on the eight yard line early in the first quarter; the resulting score put them on top 6-0. After another fumble recovery in the second quarter, the Cougars marched 13 yards for another score. Late in the first half, the Saint offense came to life and put together a touchdown drive of more than eighty yards. But, although the Saints threatened several times in the second half, they could never push across a winning tally. Final score: Cougars 13 Saints 7.

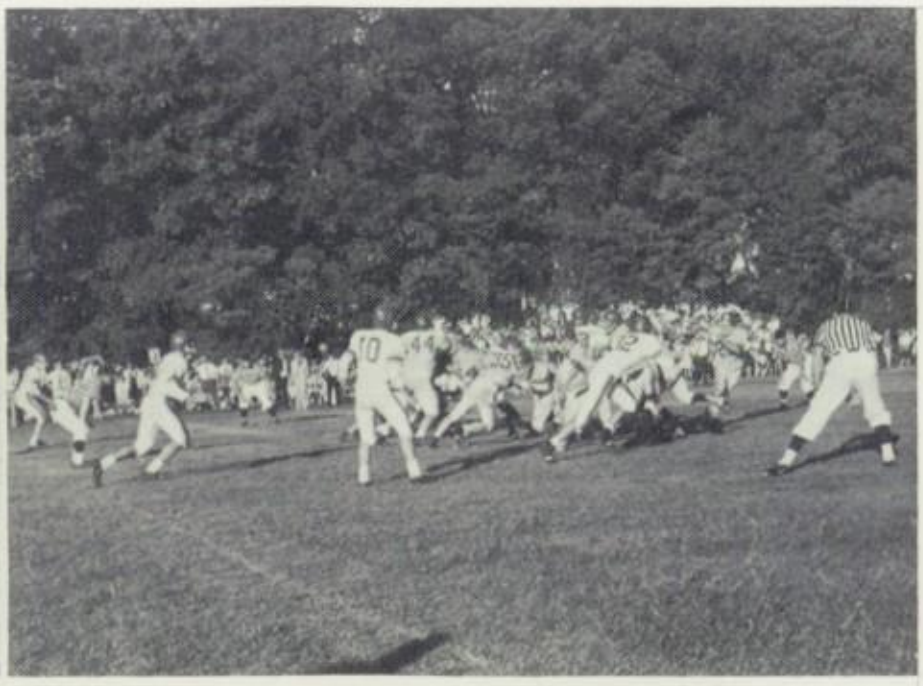
The red and gray found themselves outplayed by a spirited and quick E.H.S. team and, despite a furious 74 yard drive, the Saints trailed at half 14-6. The last half was all E.H.S. The Maroons found numerous holes in the St. C. line and went on to a 24-6 victory led by Pete Gray and his passing. Next year, the E.H.S. game will be a different story!



SAINTS TROUNCE FISHBURNE

After losing two in a row, the Saints came back strong to beat Fishburne 19-0. Starting in the shadow of their own goal, the red-and-graymen marched over eighty yards for the opening score; the touch down came on a Powell to Freuler pass play. Charlie Blanton plunged two yards in the second quarter for the second Saint score, and quarterback Hugh Powell ran fifteen yards for the third. The second team played almost all of the last quarter. This group stopped Fishburne cold and had a scoring drive die on the one yard line.





WOODBERRY SMASHES SAINTS

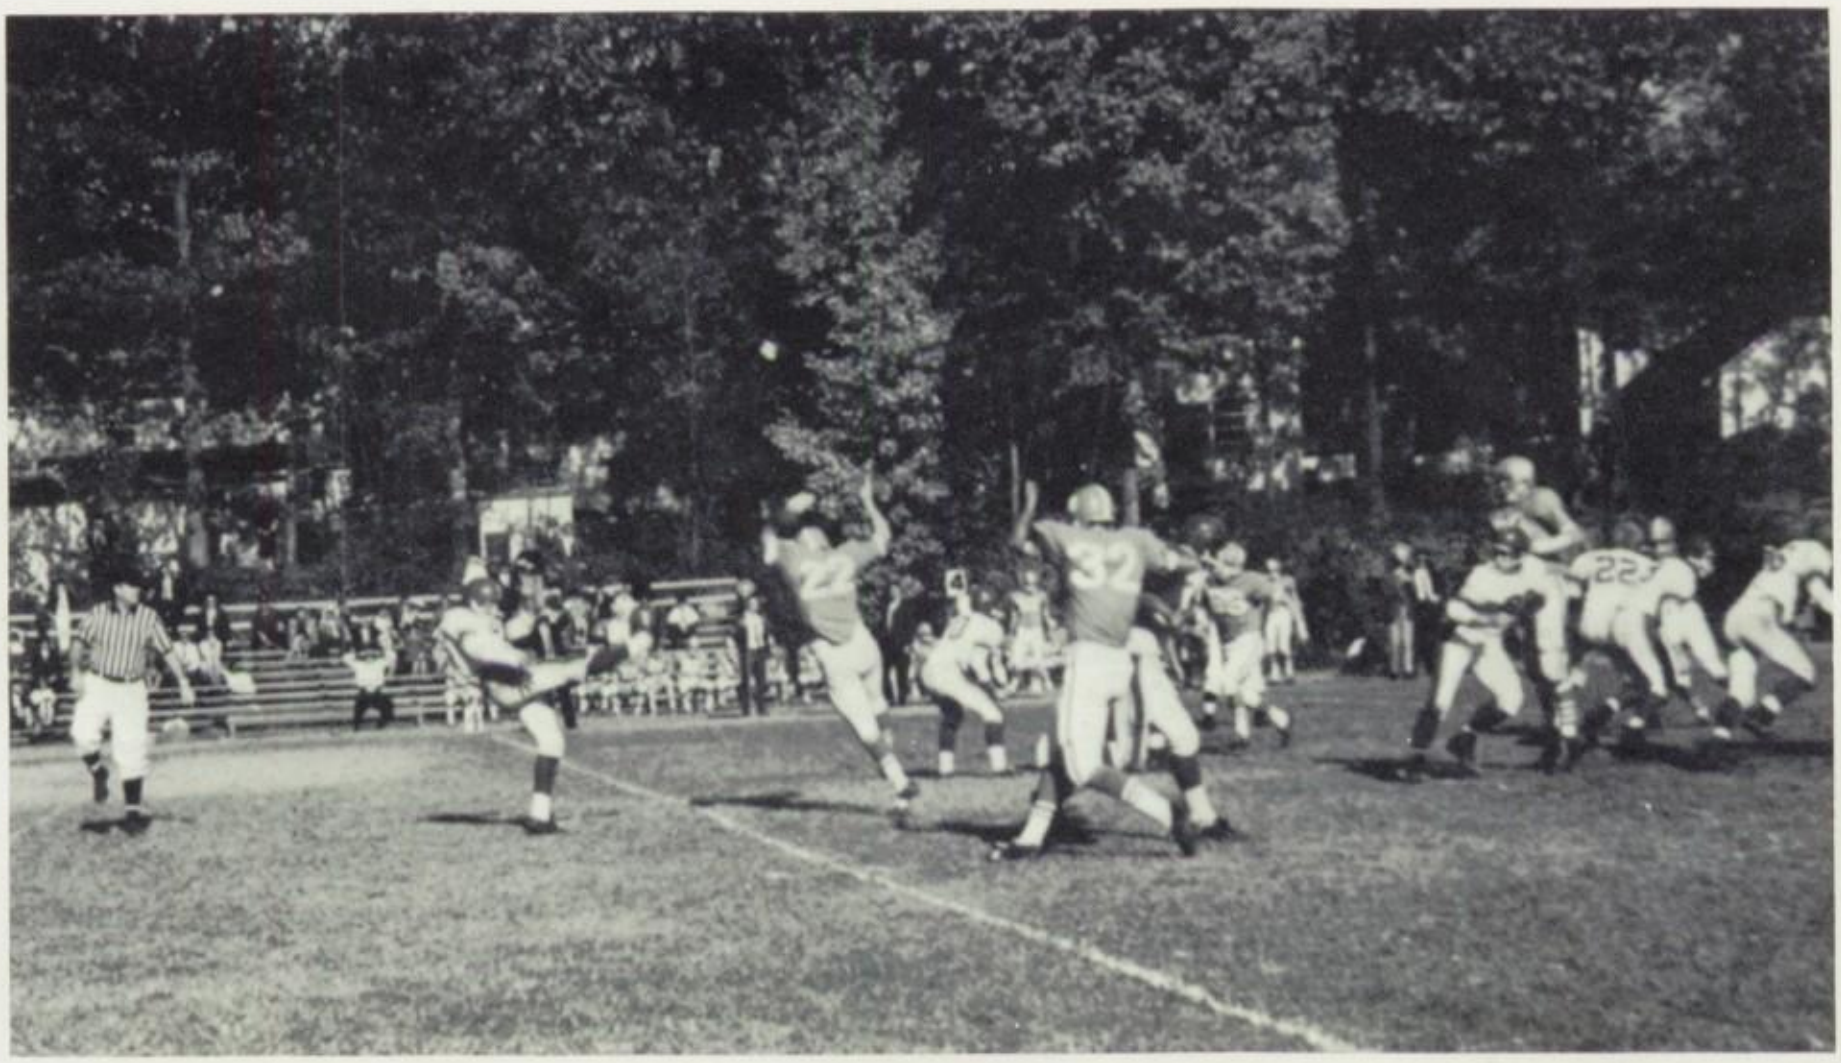
After the win at Fishburne, the Saints travelled to Orange for a fiasco. A big, fast, inspired Woodberry team started the game by running back the opening kickoff for a touchdown. On their first play from scrimmage, the Tigers scored a second time. Despite the Saint defensive efforts, which improved as the game went along, the homecoming crowd watched the orange and black gridders score six touchdowns. All Saint Offensive efforts proved to be futile; the final score was 39-0.

RMA UPSETS SAINTS

The Saint team hit a low ebb when it took on their old opponents from Randolph Macon Academy on their own field. Something was missing, and the host Saints never got rolling. Charlie Blanton scored the only Saint touchdown on a long pass from quarterback Powell. It was said by many that the Saints were not beaten as badly as the score indicated, but the coaching staff agreed that the team's performance was poor. R.M.A. won 25-6.

SAINTS TAKE HOMECOMING

A fine crowd turned out to watch the Saints take on Norfolk Academy. It was the first homecoming victory in many a year as we won 41-13. The first half proved to be close; the home team scored twice on runs by Blanton and Himmelwright. But in the second half, Charlie Blanton proceeded to break the game wide open. With fine blocking, he ran the opening kickoff for a touchdown. He then scored twice more to insure the victory. John Zaharov added a final talley as icing on the cake. For his performance, Charlie was picked Back-of-the-week in this area.



SAINTS GET WINNING SEASON

The Saints traveled to Lynchburg determined to make this a winning season. In the first quarter, Hugh Powell faked a field goal and passed twenty yards to Larry Brydon in the end zone. Fullback Scott Shanklin led a V.E.S. scoring drive which tied the score, but the Saints rallied and forged ahead on a 56 yard pass from Powell to Easterly. In the second half Heber Himmelwright set up one score on a 40 yard sweep, and Dick Morgan ran for the final tally. In the 26-14 victory, the Saints presented Coach Herzog with his second straight winning season.

SUMMARY

Spirit and depth meant a winning season for the cross country team this year. Chesley Goldston broke the school record set by Price Wood and took first place in the meets where it was not already occupied by captain Armistead Williams. Billy Grigg was usually among the first few to cross the finish line, and Sid Johnson, Reggie Bedell, and Tom Brickhouse were rarely far behind. The boys ran a hard schedule and were hard headed enough to delight any coach. This thickness of skull is the essence of a good runner. It makes him spring the last hundred yards of his two mile race, makes him stay and work in the evening after practice is over, keeps him from quitting when his lungs are burning and his face is freezing. It made the Saints win.

Total:

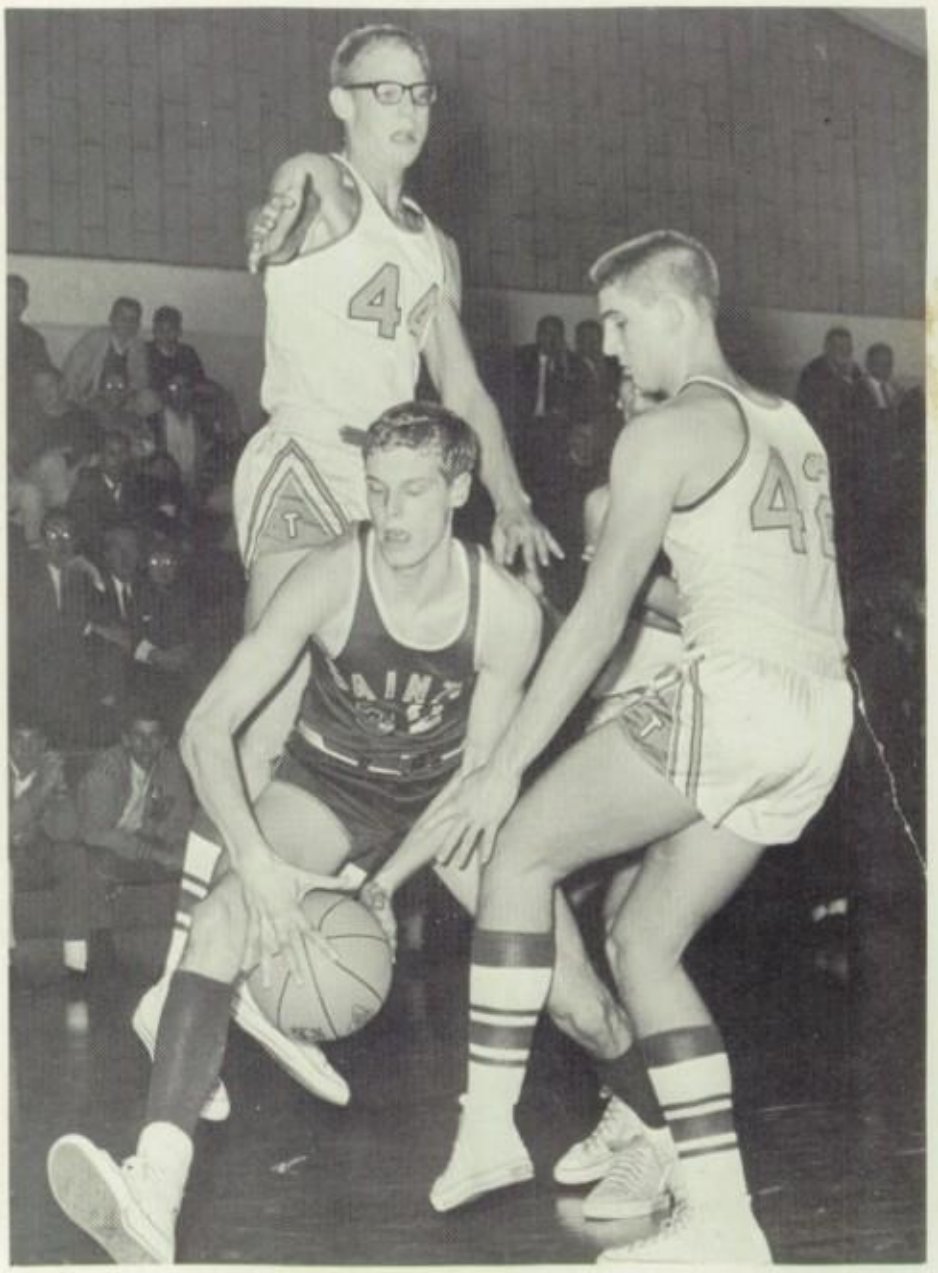
SAINTS 77 J. R. TUCKER 59

The roundballers won a satisfying victory in the opener against J. R. Tucker. After a shaky start, the Saint team came on to play superb basketball throughout the second half. Hugh Powell and Frank Freuler both hit for 18 points, and Tyler Harris had 14.

SAINTS 65 COLLEGIATE 73

The Saints played a fine first half against the Cougars and carried a one point lead into the dressing room at halftime. But the offense fell apart in the third quarter and the tall Collegiate team proved to be too strong. An abortive fourth quarter rally fell short. Freuler led the Saints with 20 points; Tommy Brickhouse had 13.



SAINTS 87 FORK UNION 89

The loss to Fork Union was a bitter one. The Saints played a fine game against a strong team from FUMA and led most of the game. The outcome was not determined until the last ten seconds. Horrible Hugh Powell was high man for the Saints 29 points, and Frank Freuler scored 28.

SAINTS 68 NORFORK ACADEMY 27

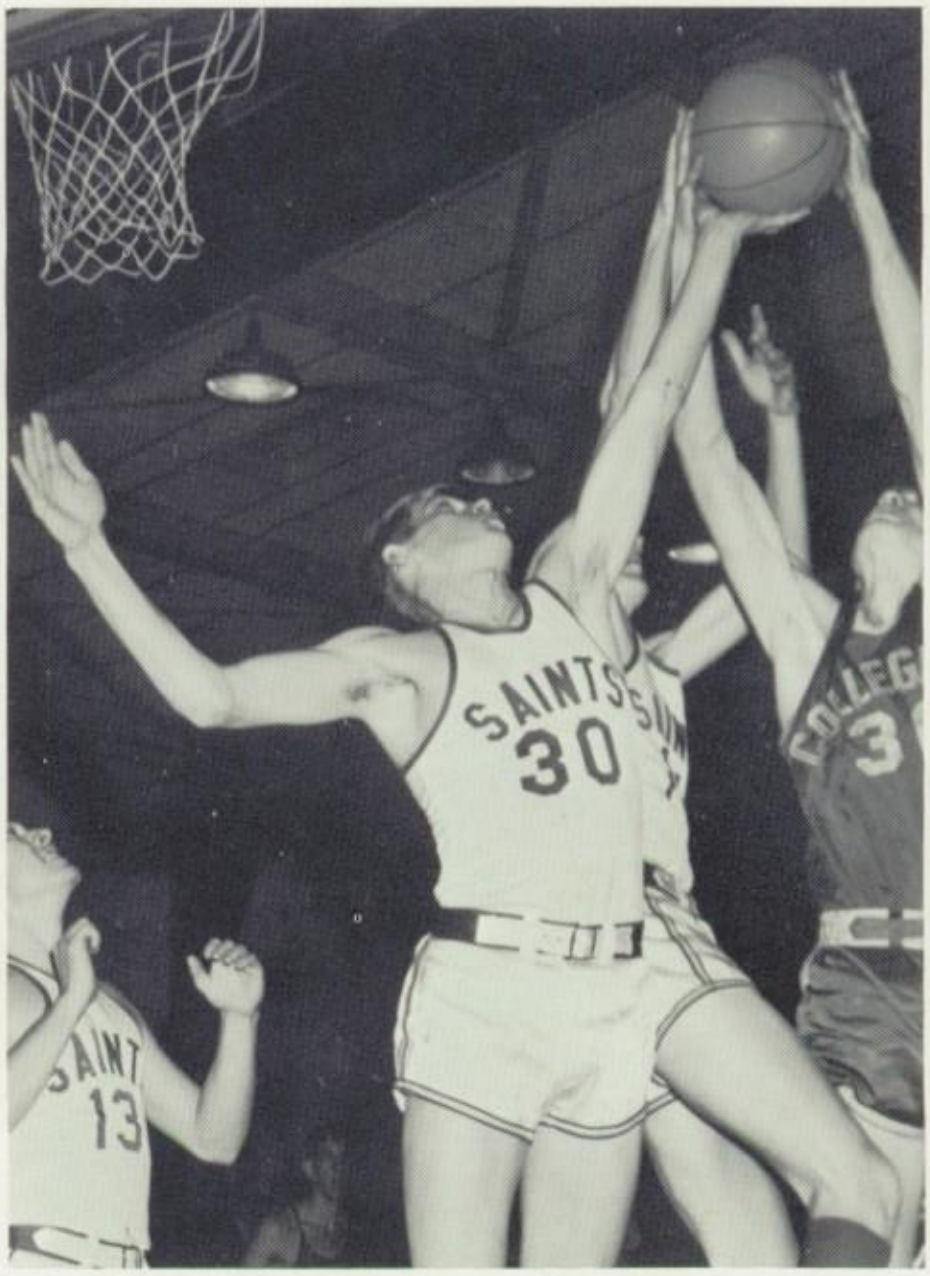
The Saints evened their record at two wins and two losses with a rout victory over a weak Norfork team. The second squad scored almost as easily as the first and played a large part of the game. F. O. Freuler again led the team with 13 points and 15 rebounds.

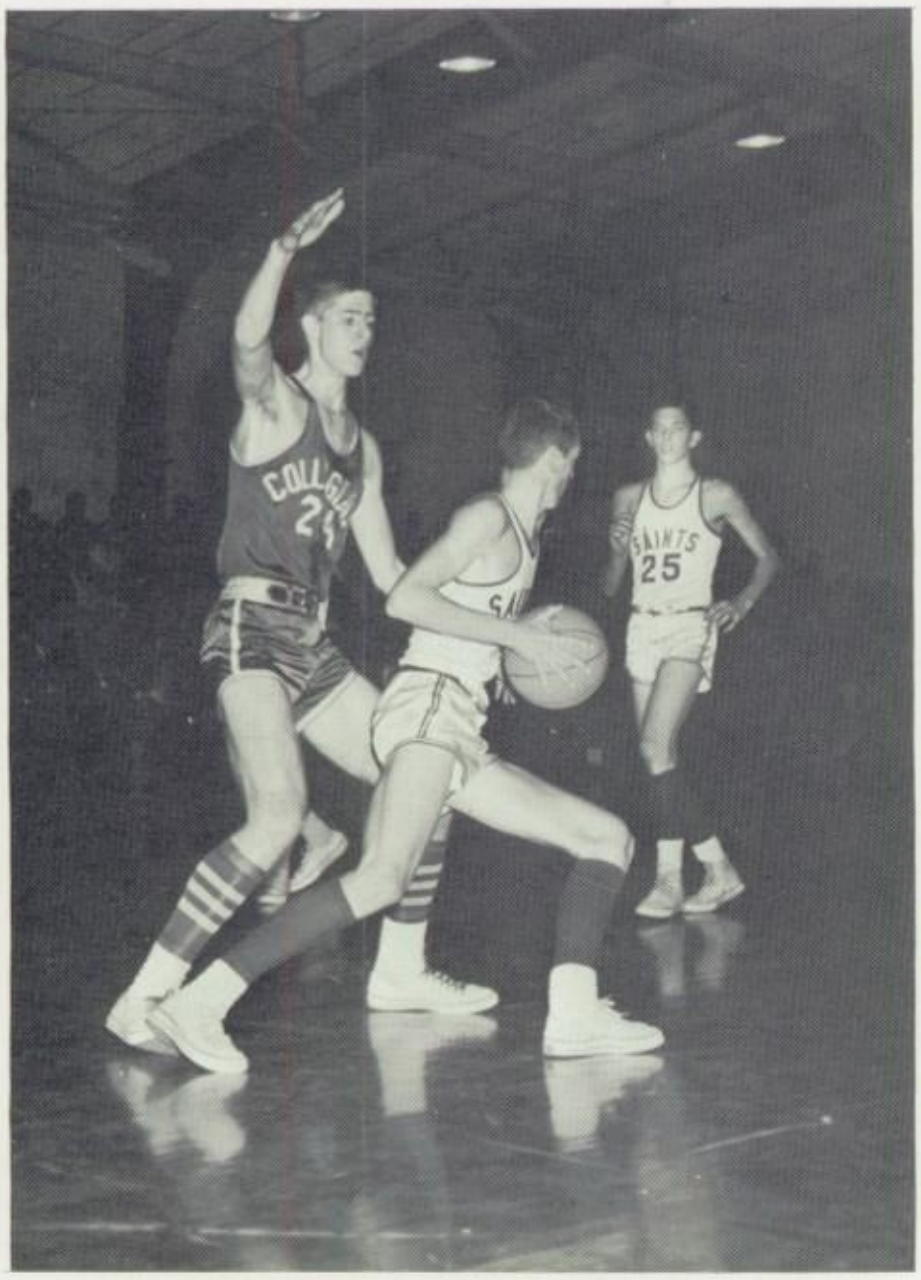
SAINTS 32 BENEDICTINE 48

The Saints played a fine first half but collapsed in the second in their first meeting with the Cadets. The opposition scored 15 points in the third quarter to our 3. All attempts to rally in the last period proved to be ineffective. Frank Freuler, with 14-points, was the only Saint in double figures.

SAINTS 76 FORK UNION 88

The rematch with Fork Union proved to be almost as exciting as the first game. A strong team from FUMA was only able to pull away from the Saints in the closing moments of the game. Freuler played a superb game and scored 33 points. He got strong support from Hugh Powell and Tyler Harris, who hit for 15 and 12 respectively.



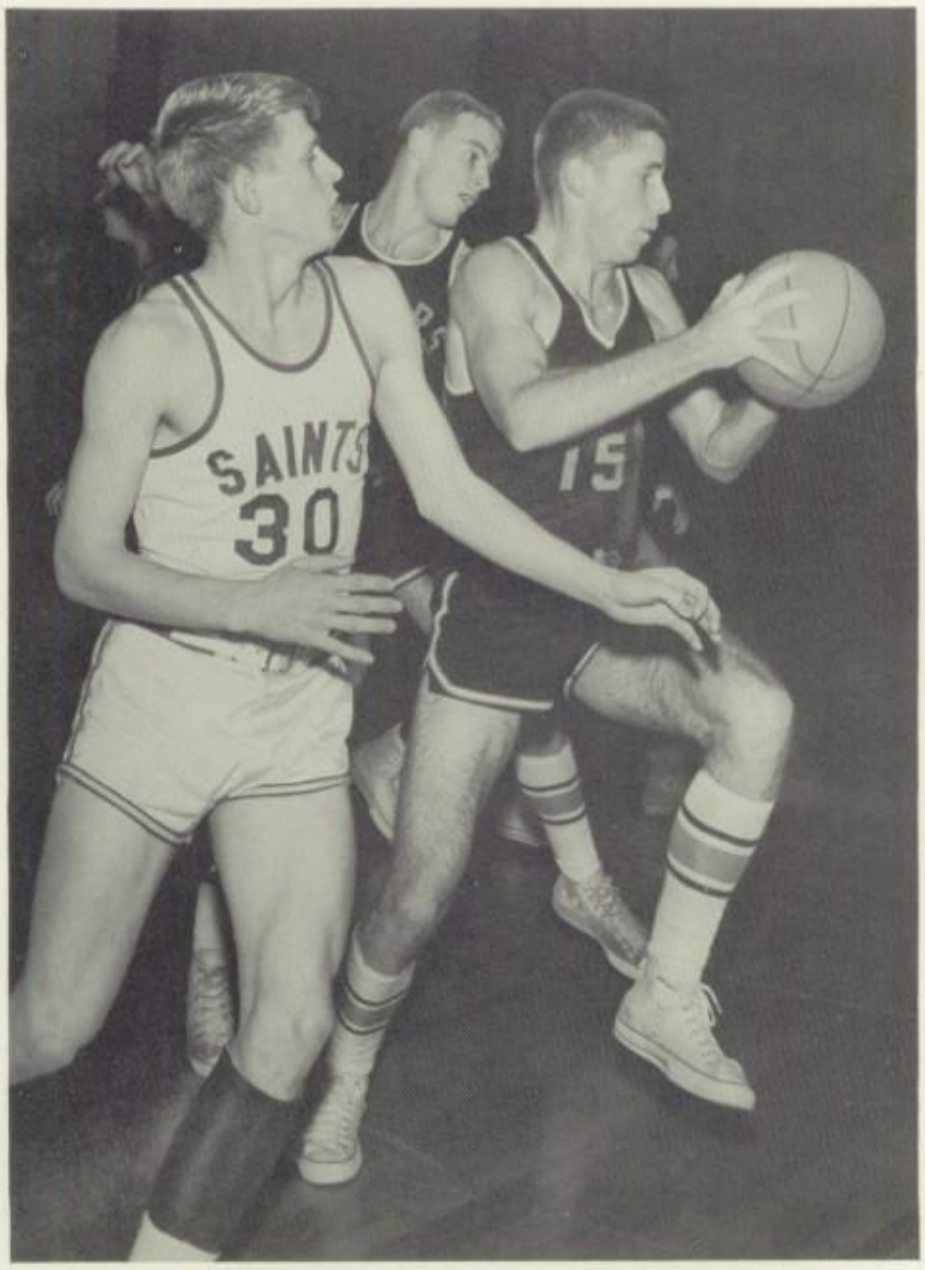


SAINTS 69 RANDOLPH MACON 55

The roundballers got back on the winning track with a satisfying victory over the Yellow Jackets from Front Royal. Freuler put in his second consecutive 33 points performance, and Tyler Harris, with 14 points, again provided key support. Fine defense played a vital role in the team's success.

SAINTS 51 WOODBERRY FOREST 70

The Tigers from Orange scored 22 points in the third quarter and proved to be too strong to handle. The Saints, led by Frank Freuler and Hugh Powell, played well; but -the opposition was too big, too fast, and too strong.



SAINTS 50 BENEDICTINE 53

The second game with the Cadets was a real heartbreaker for the Saints to lose. The roundballers led all the first quarter, but then fell behind when the opponents scored 24 points in the second quarter. The Saintmen caught up slowly throughout the second half. The score was tied when Dennis Soden got the winning basket with six seconds left. Freuler and Powell again led the Saints.

SAINTS 57 CHRISTCHURCH 39

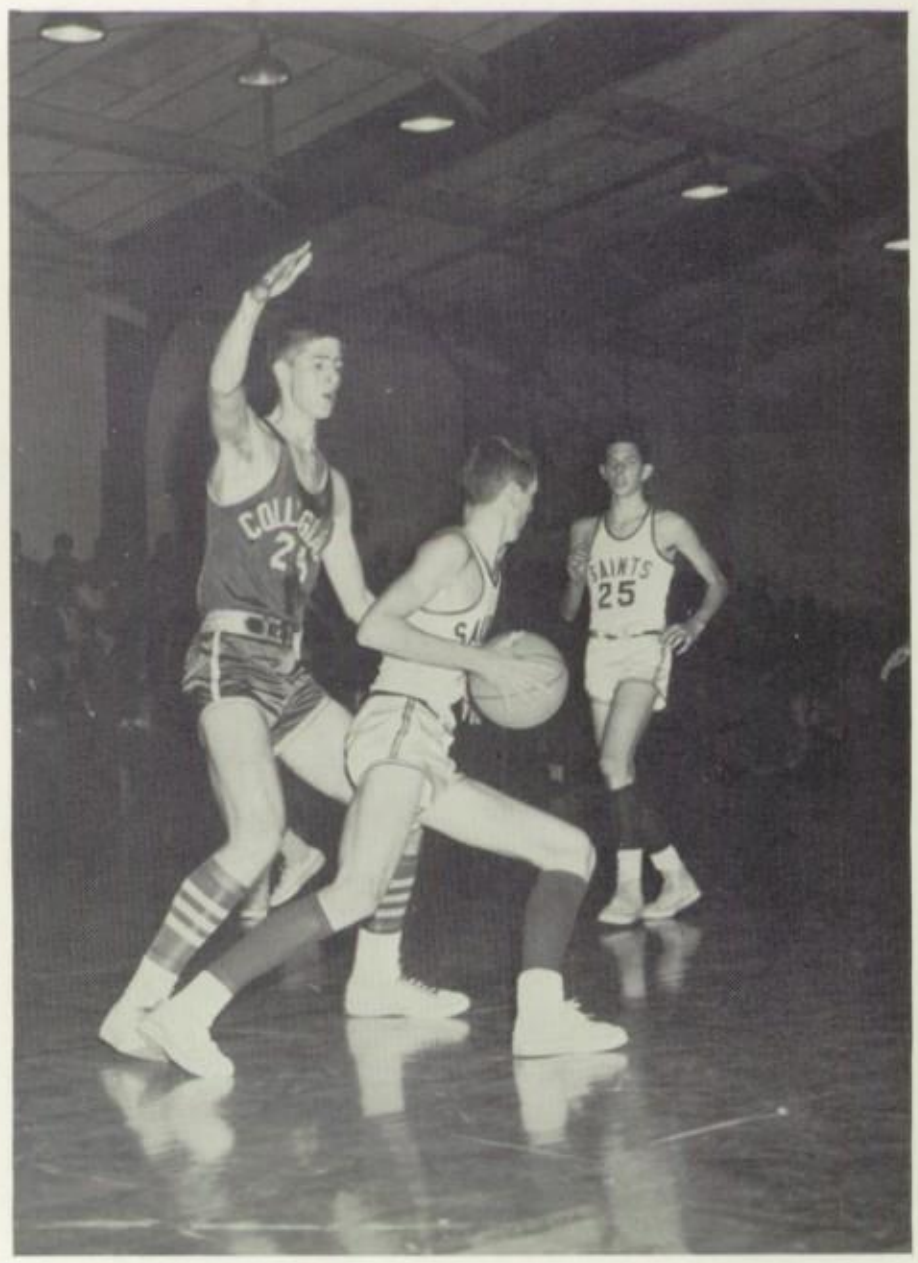
The entire team played as the Saints drowned the badly outclassed Seahorses. After jumping to a 17-3 first quarter lead, they were never headed. Powell and Freuler led the winning effort with 10 points each.

SAINTS 37 V.E.S. 57

After a satisfying victory victory over the Seahorses, the Saint team could do nothing properly against the Bishops at Lynchburg. The only consolation lay in the fact that as a team they made 11 of 12 free throws. Frank Freuler with 12 points was the only Saint to hit double figures.

SAINTS 37 E.H.S. 56

The roundballers played a second poor game to a nearly identical score against the Maroons at Alexandria. The defense was lackadaisical, and the offense was ineffective. Powell and Freuler were again the only Saints with as many as ten points.



SAINTS 52 COLLEGIATE 72

The Saints reached the low point of the year when they dropped their third in a row to the Cougars. On the rival's home court, the red-and-graymen found themselves un - able to score at the crucial moments. The Cougars opened a big lead in the last quarter. Tom Meade was high man for the Saints with 14 points.

SAINTS 66 NORFORK ACADEMY 62

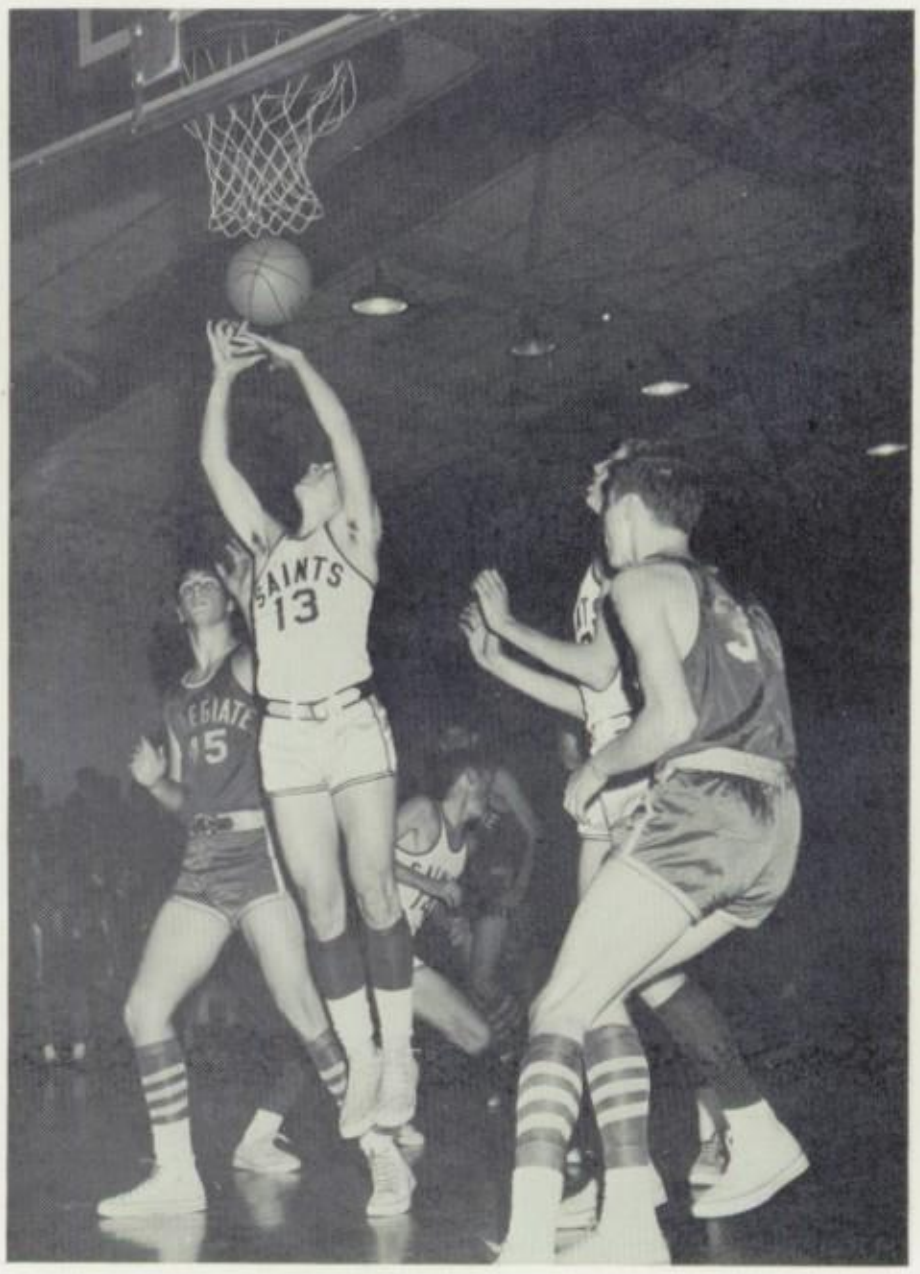
The Saint team got back on the winning track with a close victory over Norfork. An inspired Bulldog team, playing on its own court, fought tenaciously throughout the game. Hugh Powell cinched the decision with his crucial baskets in the final moments of the game. Frank Freuler was high man for the roundballers with 24 points.

SAINTS 65 J.R. TUCKER 69

The Saints lost a heart-breaker to Tucker in the return match against them. The red-men came out of the dressing room at half time 13 points behind. Fighting doggedly all through the second half, they closed the gap, and early in the fourth quarter they opened a three point lead. But they could not fight off the enemy's late surge.

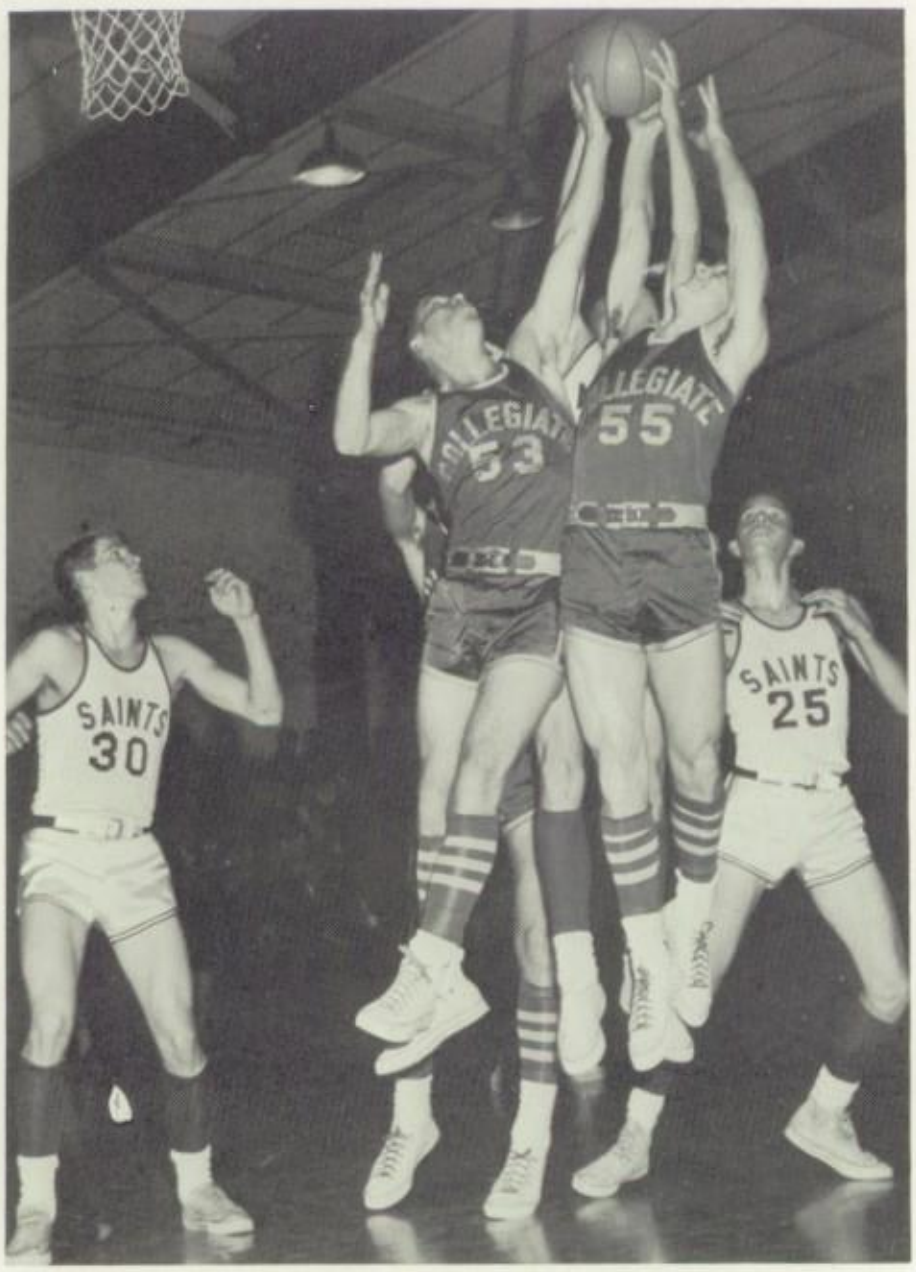
SAINTS 46 WOODBERRY FOREST 72

Missing Freuler, who was out with an ankle injury, the Saints played ineffectively against the Tigers at Orange. The team looked good only against the Woodberry re-served in the last quarter. Tommy Brick-house, with 10 points, was the only Saint in double figures.



SAINTS 38 V.E.S. 35

The Saints pulled off the upset of the season in the Prep-League when they upset the Bishops of V.E.S. Using Coach Boney's new slow-down offense, the Saints forced the tall team from Lynchburg to come out of their accustomed tight zone defense. When they came out, the deliberate Saint team, led by Freuler, Harris, and Heber Himmelwright, drove in for short jump shots and lay-ups. A fine team defense also proved vital to the over-all effort. Freuler was high for the Saints with 17 key points.



SAINTS 41 R.M.A. 49

The game at Randolph Macon was a hard one to lose. The Saints, encouraged by their last victory, tried to use the same tactic on the Yellow Jackets. It worked effectively during the first two periods, but in the second half, the Saint defense collapsed. Brickhouse and Himmelwright were the only Saints in double figures.

SAINTS 39 SAINT STEPHEN'S 43
(overtime)

The game with the Saints from Alexandria was the closest of the season. We led most of the game; they forged ahead in the fourth quarter when we went four minutes without scoring. Freuler's hook shot with one second left tied the game, but the roundballers were outlasted in the overtime.

SAINTS 1 COLLEGIATE 0

The Cougars threw a scare into the Saints in this first match. Bucky Wilson and Collegiate's goalie battled it out until George Mercer slipped in a quick goal to win the game.

SAINTS 1 NORFOLK ACADEMY 1

Chip Vaughan saved the day with a 20 yard goal, after St. C. had been behind 1-0 for three quarters. Darkness stopped the match and the Saints tied the Bulldogs 1-1.

SAINTS 1 CHRISTCHURCH 3

College Board Examinations took a fearful toll of the St. C. first string when the Seahorses came to Richmond. The Red and Gray looked good the first half, but Christchurch, led by Greg Reynolds, scored three goals to down the undermanned Saints.

SAINTS 4 WOODBERRY 1

Snow, snow, snow! In spite of five inches of the powdery stuff, Mac Parrish led the Red and Gray over the Tigers to a 4-1 victory.

SAINTS 3 V. E. S. 1

Mud, mud, mud! Again hampered by the weather, the Saints fought to a 3-1 victory over the Bishops. Trailing by a goal at the half, St. Christopher's came back to score three times and to strengthen their defense. Bob Harrold scored twice and Parrish once. Chip Vaughan, Bill Boyer, and Charles Ewing were outstanding on defense.

SAINTS 2 WOODBERRY 3

The St. C. faced Woodberry next in snow and ice. George Mercer and Ranny Herring scored once apiece and the Red and Gray led 2-0 in the third quarter. Woodberry surprised everyone by quickly scoring three goals and winning.

SAINTS 0 COLLEGIATE 0

In Richmond, Collegiate and St. Christopher's battled to a 0-0 tie. Bucky Wilson, the St. C. Goalie, was a standout, stopping several well-aimed shots. Although there were two over-time periods, neither team could score.

SAINTS 1 FORK UNION 3

After leading 1-0 at the half, the Saints failed to keep their lead and lost to a quick Fork Union team. Again, a muddy field hindered both teams.

SAINTS 0 NORFOLK ACADEMY 2

St. Christopher's faced more bad weather and a fired-up Bulldog team in Norfolk. Slipping in several inches of mud, Norfolk tallied twice on excellent shots, while the Saints were unable to score.

SAINTS 2 CHRISTCHURCH 2

Looking for revenge after an earlier defeat, the Saint team went to Christchurch. The Seahorses, protecting an undefeated season of 7-0, found themselves trailing by two goals after the first quarter. They did manage to tie the game by the half, and neither team was able to break the tie in the final half.

The St. C. wrestling team's record of five wins and four losses was the best of the winter season. Most of the matches were close and hard fought. Mr. Hardy, assisted by Steve Mazik, worked the boys hard, preparing them well for the matches. As usual, Mr. Hardy will have many experienced lettermen returning next year, promising a bright outlook for the future.

This year, for the first time, St. Christopher's was invited to participate in the St. Alban's Wrestling Tournament. Competing against eleven of the best teams in the state, St. C. placed sixth. Co-Captain Doc Frank took championship honors in the 165 pound class, and Hunton Witt and Louis Buford both took third place in their classes. These three boys also had outstanding individual records for the season - Frank had 5 pins, 2 decisions, and 1 loss; Witt had 5 pins and 2 losses; Buford had 4 pins, 4 decisions, and 1 loss. Coach Hardy hopes that he might get the Metro Title next year, and indications seem to point to it.

BASEBALL PROSPECTS

Mr. Brinkley has six lettermen returning for the varsity squad this year. They are led by senior left-hander, Bumby Gresham, a fine pitcher and this year's captain. Bobby Hutchinson is an experienced first baseman; Hugh Powell is a hard hitting second sacker. Juniors Frank Freuler and Frank Easterly will round out the infield, playing shortshop and third base. Both were starters on last year's varsity nine. Charlie Blanton, a talented junior three-letterman, will start behind the plate.

Wilson, et al.

Brydon

Because of the returnee strength, the infield looks to be particularly strong. There are a number of newcomers who may well make the outfield equally potent. The latter group includes Bobby Englander, Larry Brydon, Heber Himmelwright, and Chip Vaughn, among others. Rounding out the pitching staff will be sophomore John Zaharov, and junior Hal Purcell, the Louisa terror. Bus Epps is the reserve catcher, and Jack Perkins, Bucky Wilson, and Tyler Harris may be called in for special services at the plate. The Saints, aided by a schedule which gives them extra time for pre-season practice, are sure to do well.

1964 TENNIS OUTLOOK

There is every indication that the varsity tennis team will be strong this year. Co-captains Ranny Herring and Scott Campbell will both be fighting for the number one spot. Paul Dickinson will probably play number three, and Coach Bailey is looking for strong support from many sources. Kirk Materne, Alden Bigelow, Doug Hayden, George Mercer, Mason Stevens, and Dick Carrington are all returning from last year's squad. Among the featured opponents are Norfork Academy, Thomas Jefferson, E.H.S., Woodberry Forest, and the U. Va. freshmen.

TRACK PROSPECTS

This looks to be a building year for the track team. Only three lettermen are returning, and only one of those, captain Armistead Williams, is a senior. The other two are Bill Grigg and Leroy Smith. We will most likely be strongest in the distances, where Grigg and freshman Chesley Goldston will run the mile, and Williams, Smith, and Gene Buckle will run the half mile. Sid Johnson, Randy Boyd, and Charlie Chewning will run the dashes. Bob Purcell, Doc Frank, Dick Morgan, John Morgan, Tom Meade, Chuck Taylor, and Dudley Patteson are all showing early promise in the field events. With so much young talent, the thinclads are sure to be strong in the future.
